

Innovative-e Success Management and Sustainment Services

Our comprehensive Success Management and Sustainment Services are designed to help businesses like yours achieve their goals and sustain their success over the long term. With our deep expertise in Microsoft technology, we offer a customized solution that aligns with your business needs and maximizes your investment in Microsoft.

Our services include:

Strategic planning and execution:

We help you develop a clear roadmap to success and then work with you to execute your plan and track progress using Microsoft technology.

Process optimization:

We identify opportunities to streamline your business processes and drive efficiency using Microsoft tools like Power Automate and Power Apps while improving user experience

Continuous improvement:

We help you stay ahead of the competition by continuously monitoring and improving your operations using our Teams4PM solution, Project Online, Microsoft Power BI, and other analytics tools.

Risk management:

We work with you to identify and mitigate risks that could impact your business using Microsoft Azure Security Center and other security tools.

Training and support:

We provide training and support to ensure your team has the skills and knowledge needed to succeed with Microsoft technology.

At Innovative-e, we are passionate about helping our clients achieve their goals and sustain their success with Microsoft technologies. As a named Finalist in the 2022 Microsoft Partner of the year awards for Project & Portfolio Management we have a proven track record of delivering results for businesses of all sizes and industries.
