

**Advanced Business Solutions for
SMB**

Dynamics 365 Business Central

NEXXER

A single,
comprehensive
solution to
meet the needs
of growing
businesses!

Challenges:

- Single management system that gives speed to small and medium-sized businesses;
- Single view of the business, attending to all departments and flows;
- An ERP that fits the financial reality of SMBs.

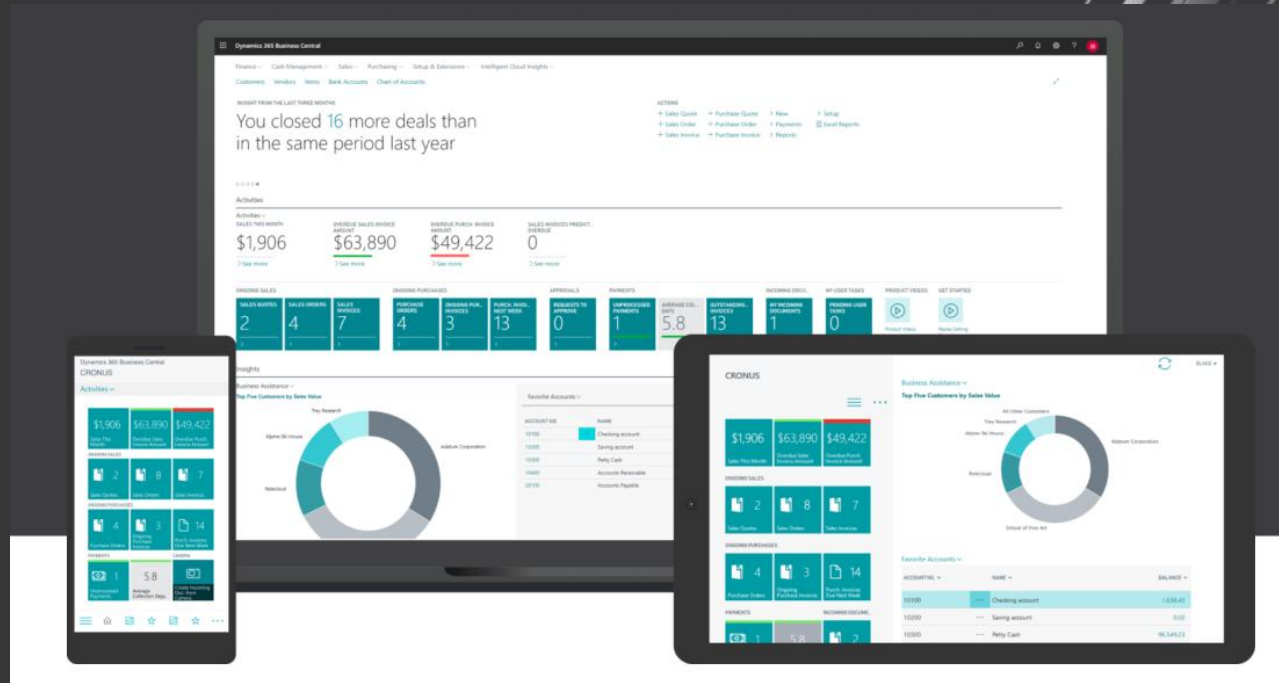

Ideal Solution:

With a team of certified consultants using Agile methodology, in a few months the company will have a complete ERP using the main modules such as finance, sales and services, connected to applications such as payroll, banking and Microsoft 365.

Desired Results:

- Improve financial visibility;
- Increase sales and improve services;
- Information security and auditable processes;
- Online reporting and better decisions;
- Trained employees, increased productivity and motivation.

Advanced Business Solutions for SMB

- Pre-configured environment
- User Training;
- Microsoft 365 Integrations;
- Support and Improvements
