

Gujarat's First M365 Copilot/AI Center of Excellence

Join us in-person at our Ahmedabad
office or attend a virtual CoE

What is a CoE?

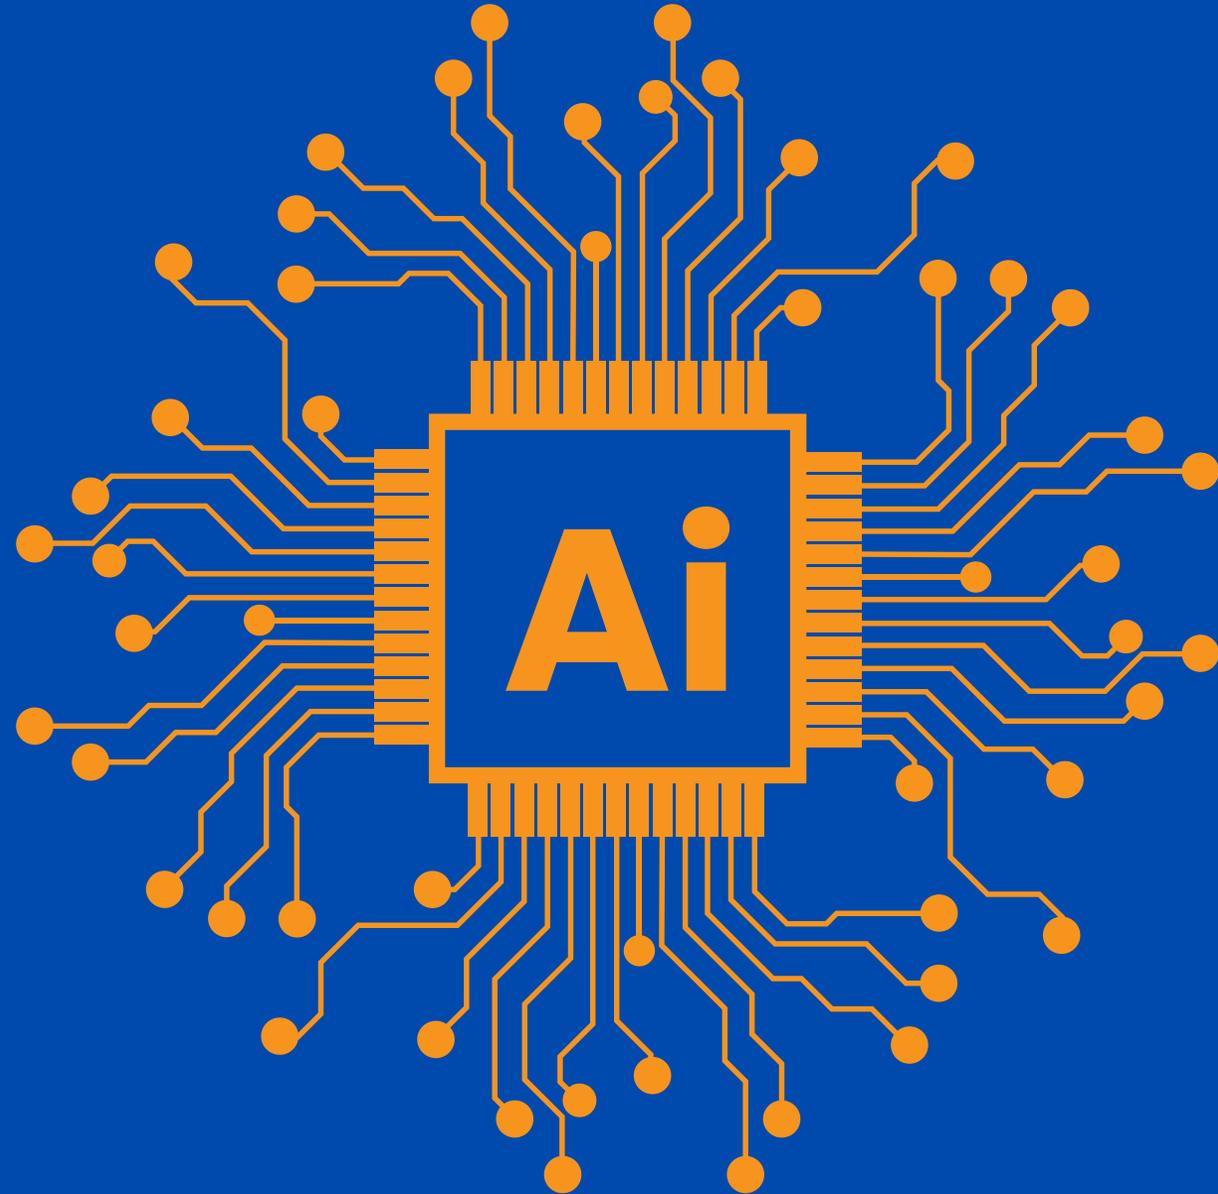

A Center of Excellence (CoE) is a hub of expertise where advanced training and innovative practices are developed and shared. It serves as a dedicated space for hands-on learning, collaboration, and the exploration of cutting-edge technologies. At Intech's CoE, you can experience the transformative power of AI and Microsoft 365 Copilot, enhancing your productivity and business outcomes.

What to Expect:

- Immersive learning environment
- Hands-on experience with AI technologies
- Guidance from AI experts
- Real-world applications of Microsoft 365 Copilot
- Accessible virtually across India and the globe

Agenda:

- Introduction to Microsoft 365 Copilot
- Hands-on demonstrations of AI technologies
- Real-world case studies and applications
- Q&A session with AI experts
- Next steps and resources for further learning
