

ORDER PROCESSING APP

Streamline your sales order and purchase order entry with ease.

TAKE YOUR BUSINESS TO THE NEXT LEVEL

Order Processing streamlines order management, enabling effortless creation, management, and approval of orders from your mobile device while seamlessly integrating with your ERP system.

Effortless Order Creation:

Order Processing Mobile simplifies order creation, allowing you to effortlessly generate sales and purchase orders from your mobile device, reducing manual entry and enhancing efficiency.

Seamless ERP Integration:

Access your inventory data from anywhere using your mobile or tablet devices, providing real-time insights and convenience at your fingertips.

Enhanced Workflow Efficiency:

Boost workflow efficiency with role-based access, automated notifications, and email alerts, streamlining approvals and enhancing control over the order management process.

About Us

Intech Systems, a Microsoft-certified solutions partner for business applications, specializes in manufacturing solutions. With our expertise and dedication, we have brought together a comprehensive suite of capabilities into Manufacturing Central, delivering an all-in-one solution that empowers manufacturing businesses to streamline their operations and achieve remarkable efficiency.

Why Choose Us

- ✓ Benefit from our industry experience and proven track record in delivering reliable solutions.
- ✓ Experience smooth integration with your existing systems for a seamless transition.
- ✓ Receive exceptional customer service and ongoing support from our team, ensuring your success.
