# A modern, simplified work environment on a small budget

The customer, a leading beverage logistics company from Germany, wanted to trade the current inefficient telephony for a more simple and modern type of telephony.

## CHALLENGES

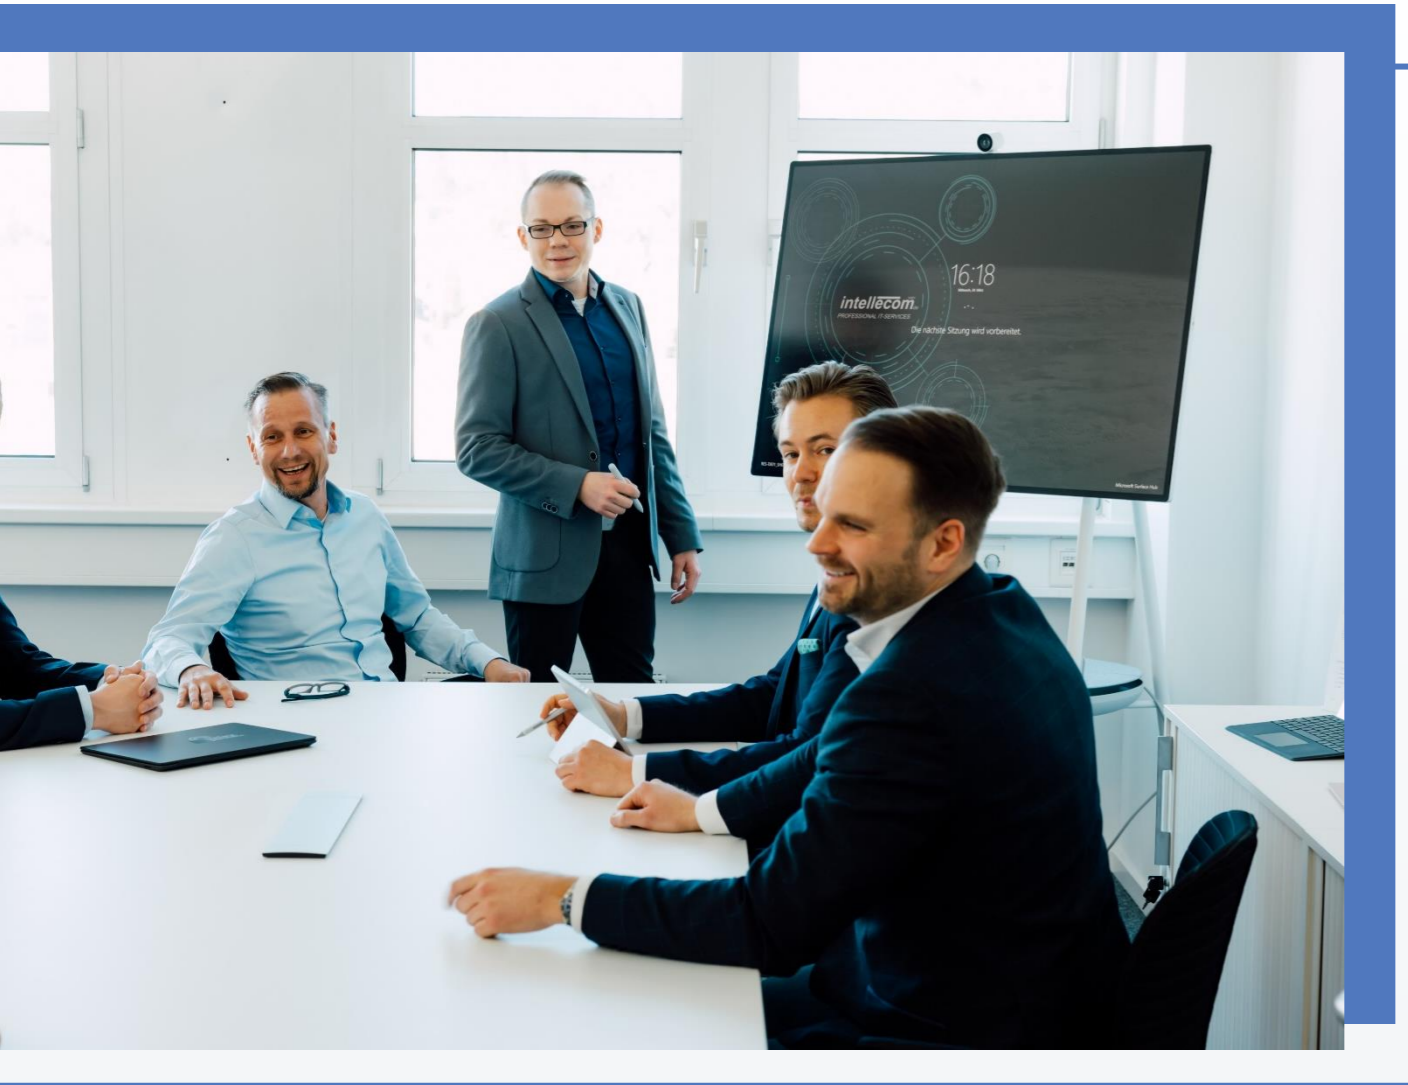

The company had an outdated communication system which was used inefficiently by the internal employees and external parties.

## IDEAL SOLUTION

We helped to revision the existing cloud configuration and client infrastructure. Microsoft Teams was implemented customer-specific.

## DESIRED OUTCOMES

They from now on use a simple structured and central communication platform which help provide to work more efficient.

# intellectcom.
