

## Teams Meeting Workshop

### Thrive in the new world of hybrid work

With Microsoft Teams, you can help people stay connected, collaborate seamlessly, and simplify work, in a secure and compliant way – all in one place. Teams is where people come together to get work done, and meetings are the foundation. This three-day workshop will help define your business priorities and scenarios that drive hybrid work.

At the end of this workshop, you'll walk away with a personalized and actionable approach to support hybrid work. Leveraging tools you already have, you'll be empowered to conduct productive and inclusive meetings while potentially reducing cost through the elimination of redundant online meeting providers.

#### 3 Day Workshop

Agenda & Deliverables:

- **Day 1:**
  - Discuss your current online meeting capabilities and meeting culture
  - Deliver an “Art of the Possible” for Teams Meetings in a remote and hybrid environment using a combination of presentations and immersive experiences
- **Day 2:**
  - Uncover business use cases and priorities to drive further engagement of your team members and beyond
- **Day 3:**
  - Provide direction about how to transform meetings across your entire organization
  - Deliver a customized report with actionable recommendations to ensure your organization can stay connected, collaborate seamlessly, and simplify work, in a secure and compliant way
