

# FinOps Ready™ Assessment

Invero will complete an in-depth analysis of current cloud FinOps practices across four domains **Cost Management**, **Cost Optimization**, **Business Value** and the **FinOps Practice**. You will get a quantifiable roadmap to identify the areas to focus on for improvement.

## Our Process

A proven formula.

**Step 1: FinOps Workshop**

**Step 2: Assessment Questionnaire**

**Step 3: Recommendations Across 4 FinOps Domains**

**Step 4: Final Report Delivery**

**Get FinOps Ready!**

Start your FinOps journey on the right foot

## Your Deliverables

Driving Digital Performance.

- ❖ **FinOps Workshop**  
Training on FinOps principles and to get a high-level understanding of your current practices in place (if any).
- ❖ **Maturity Assessment Survey**  
Invero uses a method of quantifying an organization's FinOps maturity against the FinOps Framework by FinOps Foundation.
- ❖ **Final Report and Gap Analysis**  
Actionable recommendations across all 22 FinOps domains and capabilities to pinpoint the areas to focus on for closing gaps.
