isolutions

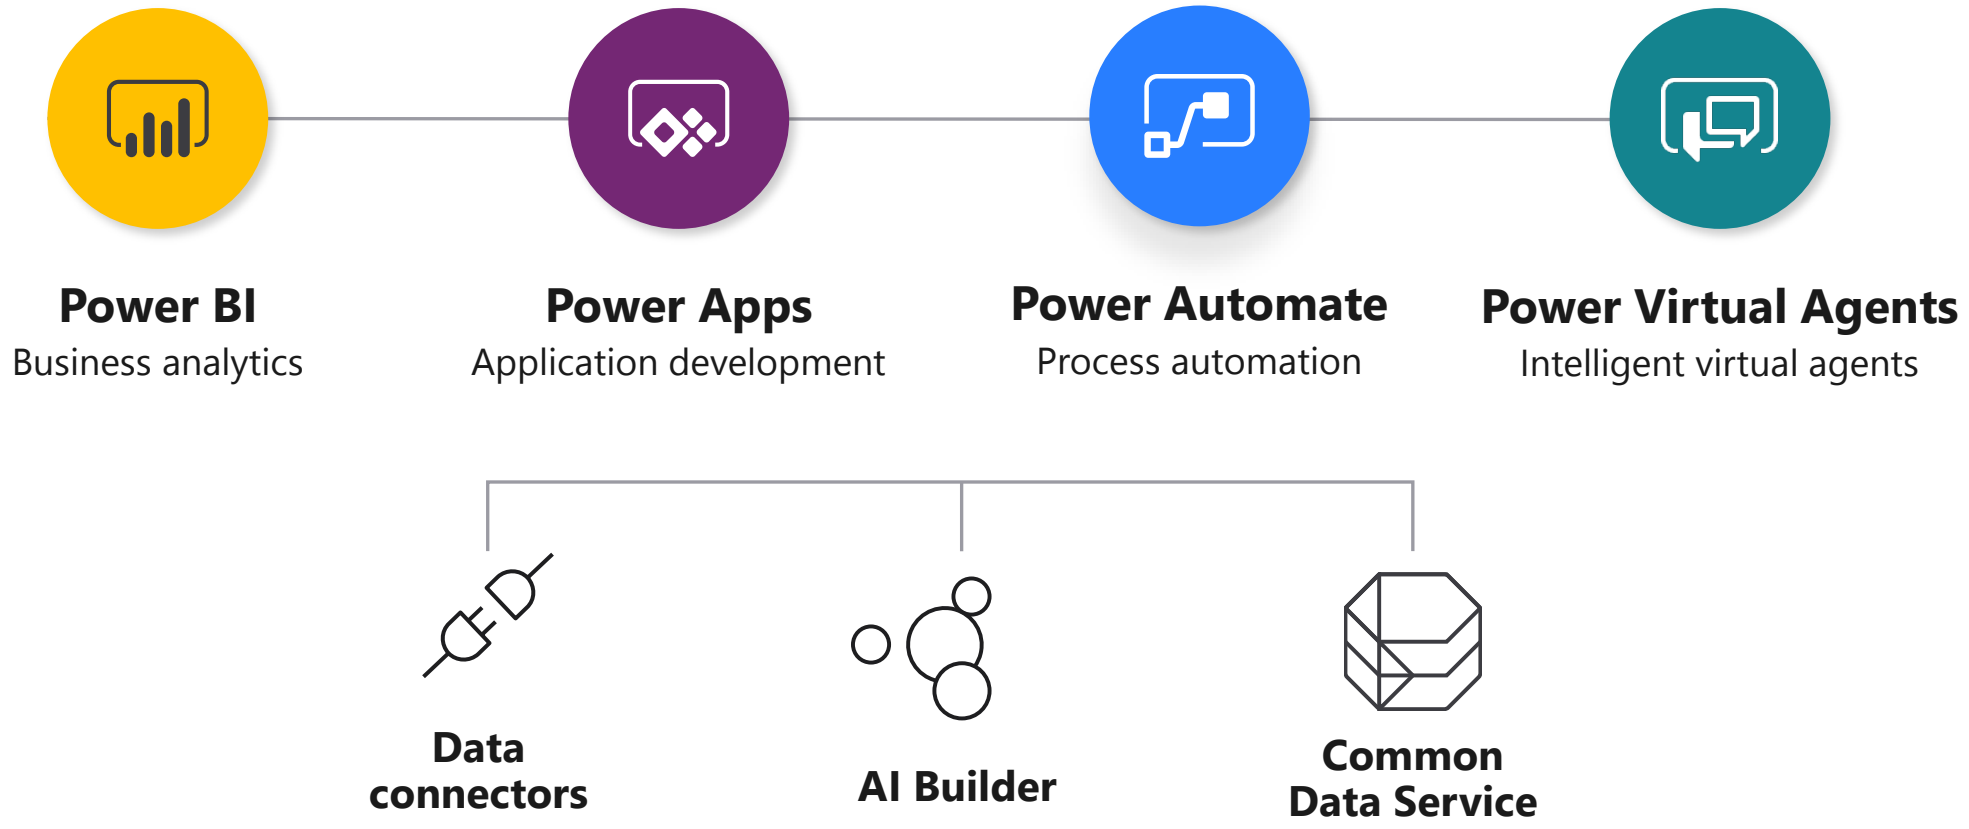
What's it about

Microsoft Power Platform

The low-code platform that spans Office 365, Azure, Dynamics 365, and standalone applications



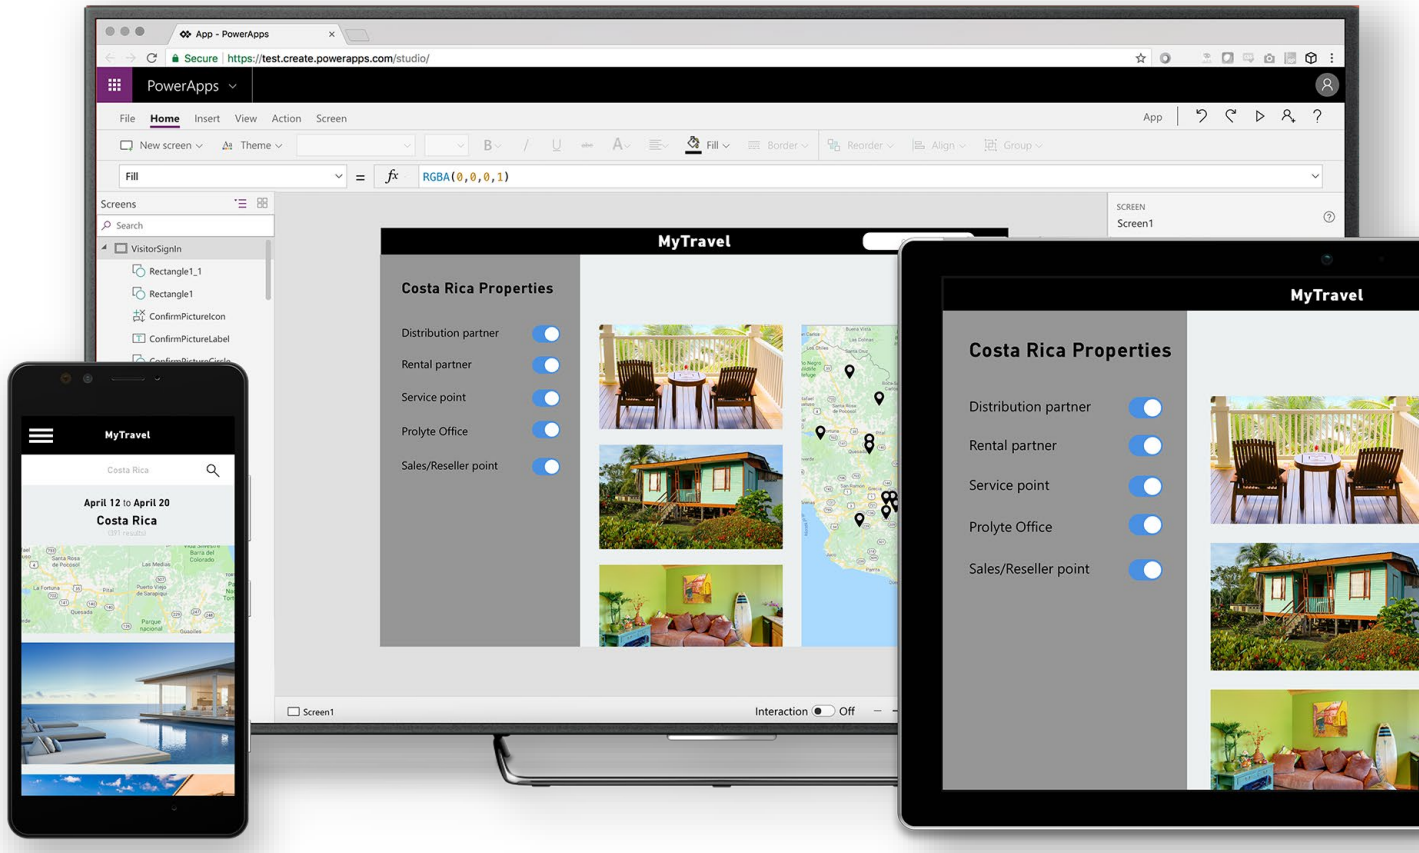
isolutions

Low-Code / No-Code Platform

Cross-company business processes

No programming knowledge necessary

Reduce time and costs for business application development



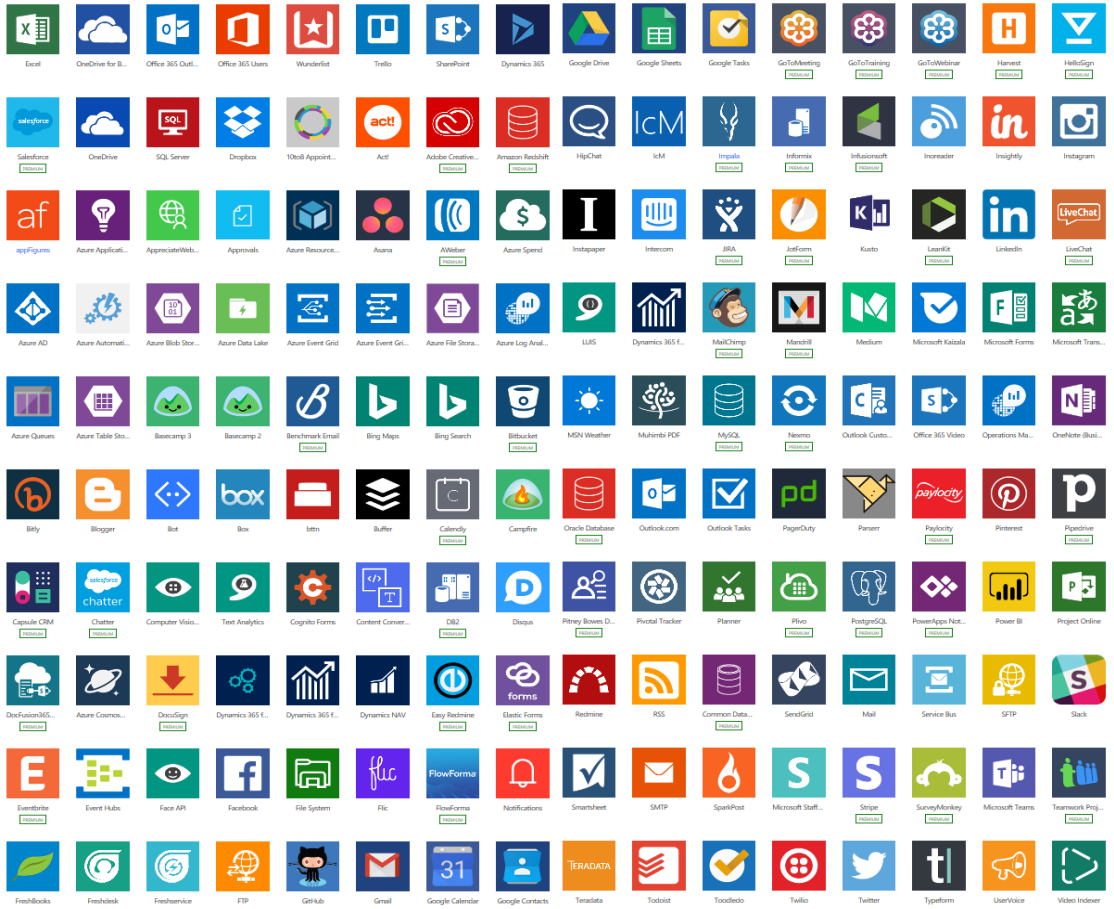
isolutions

Connectivity

Integrated connectors to over 230 cloud services, files, databases, web APIs, etc.

Hybrid connection to local systems via the On-Premises Data Gateway

Expandable with custom connectors



isolutions

A few ideas what you can do with it

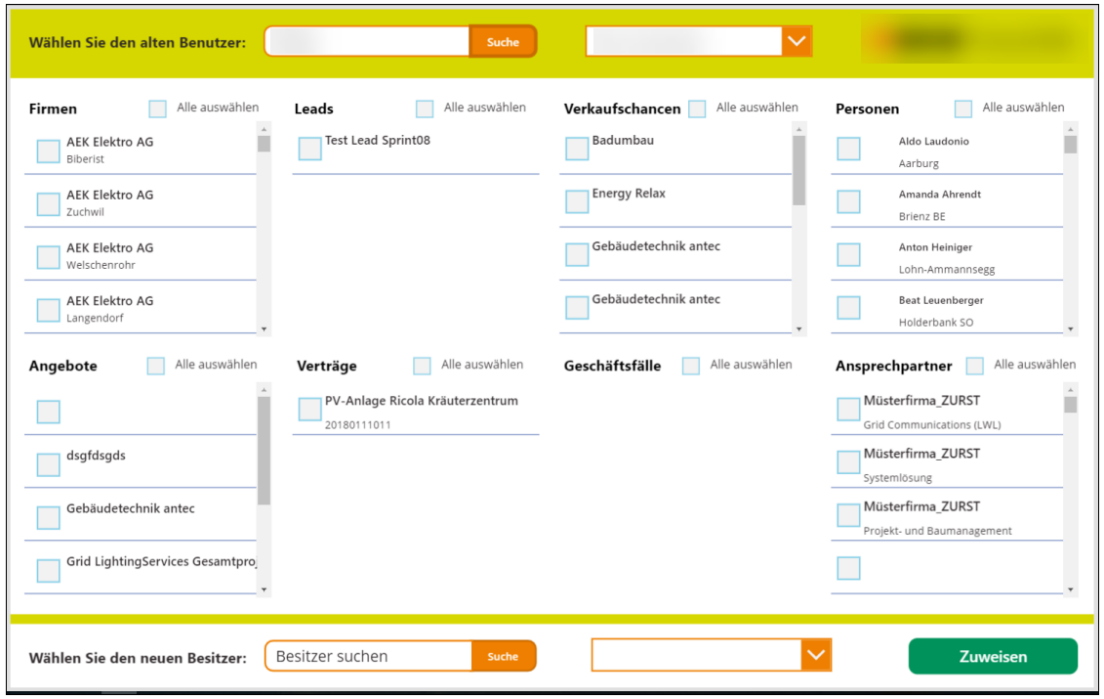
isolutions

Business Case Calculator

- Calculation of a business case (Brake Even) in seconds
- Simple representation, costs / benefits
- Canvas App, without any integration
- Application: Mobile Device, or on the website

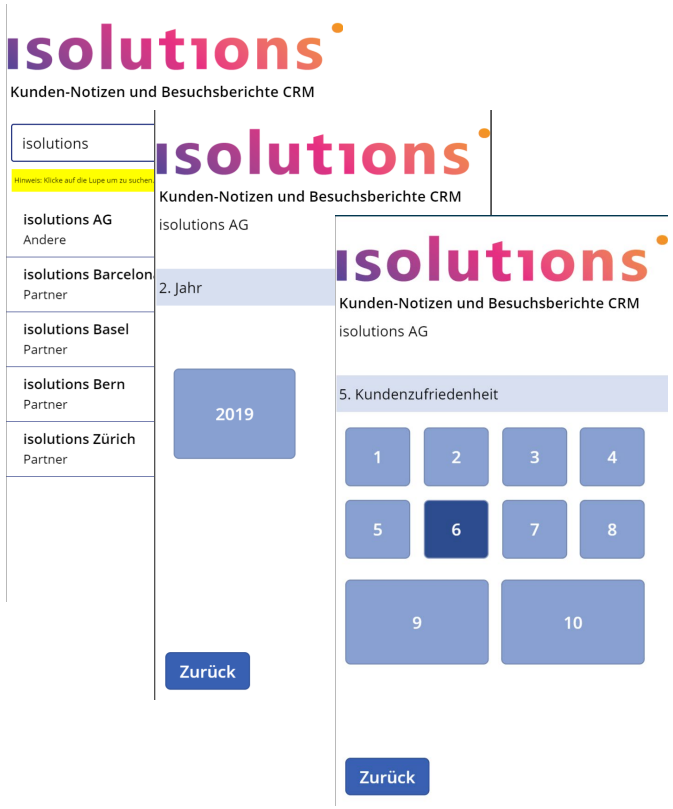
isolutions

Change Ownership of Records in Dynamics 365



- Employee resignation or transfer.
- Rewriting specific groups of data records, such as company, contact, leads, sales opportunities, etc. from one person to another in Microsoft Dynamics 365.
- Massive process efficiency increase
- Model Driven App, integrated into Microsoft Dynamics 365, online.

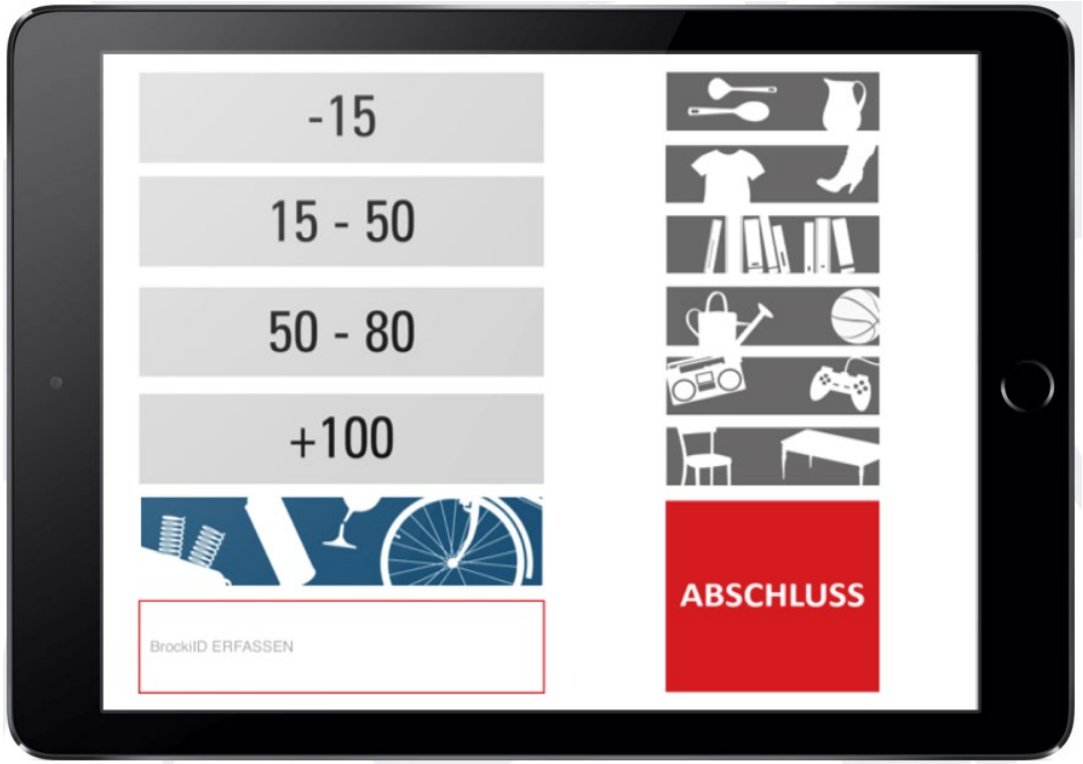
Visit reports



- Hold the call in a few seconds.
- Select the customer, contact person, year, quarter, customer satisfaction and record the report.
- Depending on the process instruction, any process steps are possible.
- Model Driven App, directly integrated in Microsoft Dynamics 365.

isolutions

A few fingers tips to finish a POS interaction



- Point of sales interface for donations and purchases.
- Ideal for people with little IT affinity, or with high fluctuation, e.g. when working with students.
- Little to no training time and almost no sources of error.
- Model Driven App, integration with Microsoft Dynamics 365.

Conditions

Condition	Description
Prices	Fixed price according to the App in a Day Offering. Additional: Expenses, if workshop at customer's site.
Expenses	There are no additional costs for workshops in Bern, Zurich or Basel. If workshops, meetings, etc. take place at other locations, the effective travel time (from the nearest isolutions location) per person and trip will be charged at a reduced flat hourly rate of CHF 150 per hour.
VAT	All prices quoted in this offer are exclusive of VAT.
Mode	Invoicing of the total amount after the workshop.
Term of payment	30 days net. Deductions are not permitted.
Place of jurisdiction	Bern. Swiss law applies.
General terms and conditions	The general terms and conditions in the current edition of isolutions apply. https://isolutions.ch/agb
Validity of the offer	30 days from date of issue.
Appointments	All appointments are made by mutual agreement.
Delimitations	isolutions does not execute any work / demos etc. on productive environments of the customer. It is a workshop, the result is a know-how transfer, not a finished Power App. The customer himself is responsible for the documentation.
