# CREATE A BUILDING

The screenshot displays the ISTYA Facility Management interface. On the left is a sidebar with the ISTYA logo and a navigation menu. The main content area is titled 'Facility Management' and includes a 'Building Management' section for 'Isyta' with a 'List of Buildings' containing two entries: 'Station F' (Paris) and 'Plug and Play' (Sunnyvale). To the right is an 'Add a Building' form with fields for 'Building Name' and 'Address', and a 'Building Type' selection area with options: Office, Factory, Factory and Office, and Hospital. A large black arrow points to the 'Factory and Office' button. A blue 'Save' button is at the bottom of the form.

# ADD A SENSOR

The screenshot displays the ISTYA Facility Management interface. On the left is a sidebar with the ISTYA logo and a navigation menu including Dashboard, Recommendation, Analysis, Installation Management, Assistance, Help, Contact, and Back office. The main content area is titled 'Facility Management' and 'Building Management' for user 'Isyta'. It shows a 'List of Buildings' with two entries: 'Station F' (Paris) and 'Plug and Play' (Sunnyvale). Each entry has a gear icon for settings, a trash icon, and a heart icon. A large black arrow points from the top of the page to the gear icon of the 'Station F' building. To the right is a 'Add a Building' form with fields for 'Building Name' and 'Address', and radio buttons for 'Building Type' (Office, Factory, Factory and Office, Hospital). A blue 'Save' button is at the bottom of the form.
