Bridging The Gap Between Customers & Businesses

Skizzle Technolabs

Let your customers feel at ease with online scheduling of appointments

skizzleopus will help you get more customers by scheduling online appointments and will save your time, so that you can focus on your business effectively.

- Service appointment booking**
 Let your customers book service appointments online. For beauty and wellness, salons, medical clinics, therapists, driving instructors, cleaning services and more.
- One-on-one appointment scheduling**
 skizzleopus is an inevitable solution for therapists, personal trainers, pet care professionals, government and embassies, sales teams, and all other one-on-one appointment-based businesses.
- Suitable for a variety of services**
 skizzleopus is a versatile booking plugin that works great for hotels, spa, beauty salons, repair services, dancing and fitness classes, dentists, lawyers, photographers, independent consultants, and more.
- Mobile-friendly**
 The online booking form has an adaptive design allowing for the perfect usability of your website.
