

THE AGREEMENT LIFEGUARD

Managed Service Providers need to stay on top of challenges and meet customers' increasing demands and expectations while continuing to deliver amazing services.

With ITagree – the Agreement Lifeguard – MSPs now have easy access to the tools, agreements and guidance they need.

With the right agreements, MSPs can navigate everyday challenges and address opportunities while being responsive to change and managing risks.

FIVE AGREEMENT PACK PLUS SUPPORT

Receive up to five agreements popular options include:

- Cloud Supply Agreement (Reselling Microsoft 365)
- Managed Services Agreement
- Projects Agreement
- Cybersecurity Services Agreement
- SaaS Supply Terms (reseller, multi-product)

Your subscription begins with an Agreement Selection Session.

Your agreements will be provided to you after that session.

Ongoing help is available for any questions you may have while setting up your agreements for first use and for any later questions, including those raised by your customers

HOW IT WORKS

- ▶ Access the ITagree Subscriber Portal directly after your initial Agreement Selection Session with ITagree.
- ▶ Start with Agreement Setup. Provide and input your details following our guidance.
- ▶ Weekly agreement setup sessions (and access to recordings)
- ▶ Ongoing support including *Ask ITagree* for Q&A
- ▶ Check In sessions
- ▶ Agreement updates

ITagree's *Five Agreement Pack Plus Support* is available now
