## End-User License Agreement

End-User License Agreement (EULA) - AVD Help Assist

By using AVD Help Assist, you agree to the following terms:

1. License:

You are granted a non-transferable, per-tenant license to use the software. One license = one Azure tenant.

2. Restrictions:

You may not reverse engineer or redistribute the software.

3. Activation:

Requires valid License Key and Tenant ID. License becomes locked to tenant.

4. Termination:

Violation of terms may terminate license.

5. Support:
