Jio Things — The Ultimate IoT Destination

Diesel Generator Monitoring Solution
An IoT enabled solution for every type of DG

OEMs | BFSI | Retail |Telecom| Rental | Hospitality| Residential & Commercial | Manufacturing & Distribution |

Key Features

- ✓ Fuel monitoring (Filling, removal & consumption with 98%+ accuracy)
- ✓ Energy & efficiency monitoring
- ✓ Preventive maintenance & health monitoring
- ✓ Operational hours monitoring
- ✓ Real time alerts & events
- ✓ Unified portal & API access
- ✓ Insights & data analytics
- ✓ Geo-fencing
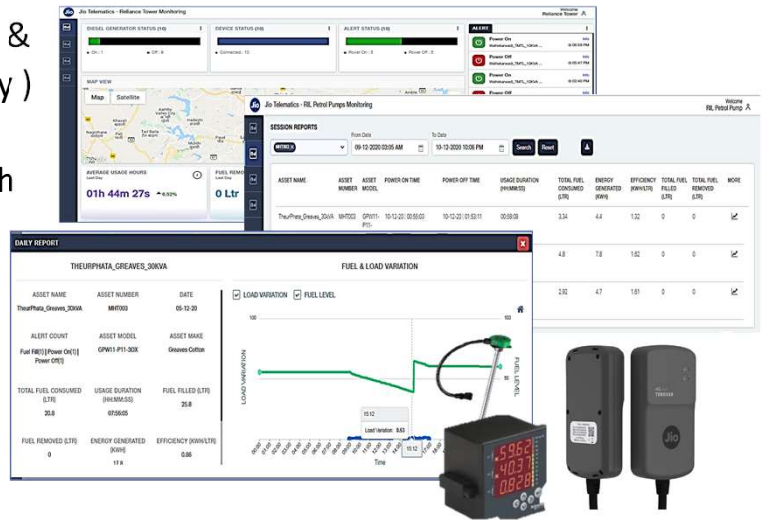

Easy Installation & On-boarding
Significant reduction in installation time (up to 3 – 4 hours) and 100% remote onboarding

Faster Return on Investment
Adoption of IoT solution creates a path for faster return on investment

A Comprehensive Solution

Economical hardware with battery backup & sensor connectivity for critical parameters.

GPS	Battery Backup	Sensor options

Ubiquitous connectivity covering both urban and rural areas

LTE Network	SIM Management

Secure & scalable cloud portal for monitoring, reporting & analytics

Dashboards	Reports	Analytics	Emails

Aftermarket service & support; self-care portal

FOTA	Remote Diagnostics	Central Helpdesk	Installation Support

Solution Details

DG Set   **IoT Device with Fuel and Energy Sensors**   **Nationwide LTE Network**   **JioThings IoT Platform**   **DG Monitoring Platform**
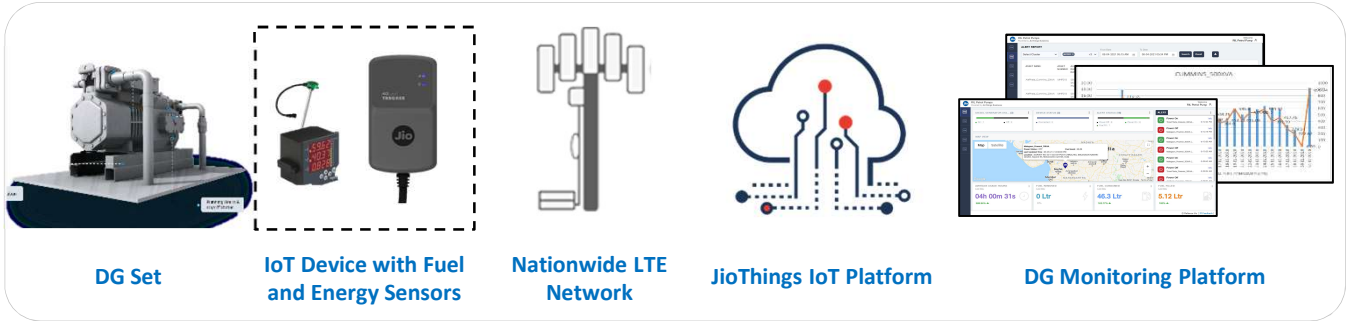

Business Benefits

Reduced TCO
One-stop-shop reduces multi-vendor payouts, simplifies management of IoT solution and thus reduces total cost of ownership

Reduced downtimes & maintenance costs
Preventive & predictive maintenance helps reducing downtimes and cost of maintenance

Reduced spending on fuel
>98% accuracy in fuel monitoring helps reduce thefts and spilling

Monitor & optimize efficiency
Real time monitoring & benchmarking DG and energy usage pattern helps enhancing efficiency

JioThings Key Differentiators

End to End Solution   **Ruggedized Solution**   **Hassle-free installation & maintenance**   **PAN India Network Assurance**   **Proactive Service**
