

THE AI EXPERTS

ENTERPRISE CHATBOTS

katpro

Engage your customers right!

ABOUT KATPRO

- *Katpro Technologies is your IT & Technology Solutions Company focusing on creating cutting edge and unique digital solutions.*
- *We have had the reputation of being successful in overcoming unique technological challenges and excelled at providing viable solutions.*
- *Our solutions are not industry specific, but rather are client specific collaborative engagement.*

WHY CHATBOTS

- *There are many channels of customer engagement - mobile, web, phone based, etc and mediums such as different social networks, etc.*
- *The traditional first level customer support is expensive and error prone*
- *Technology advancements can now solve business problems without human intervention*

USECASES

Usecases

Help Desk

- *Replace first customer support with automatically trained and trainable at the same time interactive bots.*
This can be applied to HR, CRM, IT help desk, etc
- Order Management:
Capture new orders for e-comm, or through social channels*

Order Management

- *Capture new orders for e-comm, or through social channels*

Chatbot Features

- Completely powered by AI frameworks such as wit.ai, MS Bot Framework, LUIS, etc
- Compliant with Natural Language Processors
- Easy integration with business applications such as Salesforce, MS Dynamics, HRMS, CRMs, etc
- Base version deployable in 2-3 weeks

Enterprise Digital transformation is the need of the hour. The technology has matured enough to pave way for the next level of business productivity.
