

# Complete MXDR

Powered by Microsoft Sentinel

Rapidly improve your security posture and protect against an evolving cyber threat landscape with Microsoft Sentinel, Microsoft 365 Defender, and Microsoft Defender for Cloud.

## IT Leadership and Management can struggle to ensure comprehensive 24/7/365 security operations in today's fast-paced threat landscape.

KiZAN's Complete MXDR offer combines MXDR and Microsoft Defender stack management to provide ongoing monitoring, alerting, and response, ensuring an organization's security posture is continuously improving while providing ongoing maintenance, management, enhancement, and ownership of the following Microsoft Defender solutions:

- ✓ Microsoft Sentinel
- ✓ M365 Defender
- ✓ Microsoft Defender for Cloud
- ✓ Microsoft Defender for Endpoint
- ✓ Microsoft Defender for Office 365
- ✓ Microsoft Defender for Cloud Apps
- ✓ Microsoft Defender for Identity

Focus on supporting your broader business needs and leave your MXDR and Defender stack management to us! Don't miss those critical security threats that could be detrimental to your organization and its employees.

Without MXDR services, you are not benefiting from the full capabilities of the Microsoft security stack and could leave your organization and its employees vulnerable to compromise or data theft. Choose KiZAN as your trusted Microsoft Partner and take advantage of rapid ROI with Microsoft advanced threat protection!

Contact us today to schedule a free consultation and learn more about how KiZAN's Complete MXDR can help protect your organization from current and future cyber threats.
