# 3 x faster to digital maturity.

We call it the **kdx Digital Maturity Accelerator**, and it means that as a customer, you don't have to go through all the phases leading to a higher level of digitalization.

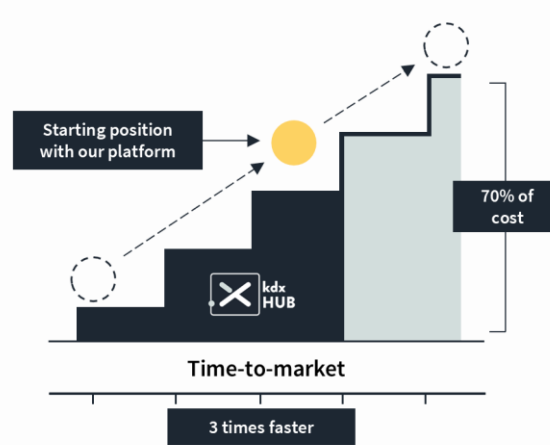

## TRADITIONAL CONSULTING IMPLEMENTATION MODEL.

Everything starts from scratch

## kdx DIGITAL MATURITY ACCELERATOR.

Powered by kdxHUB

**kdxHUB** includes the result of over 20 years in the service of digitization. You as a customer can now benefit from all our experiences in a cost-effective way, providing you with significant advantages in your digital progress.

It has never been faster to go from start to finish, with the opportunity to skip unnecessary steps along the way.

**kdxHUB.** Your new digital platform. Website, customer portal, guides, tools—all supplied with data from a controlled source automatically. The entire customer journey is managed, and new leads are generated. Add Marketing Automation, SEO, and other components to attract more prospects that convert into loyal customers.
