

Transform your workforce with the KPMG ESG Academy

Join the tailored learning experience with ESG training, featuring 10 courses and certification upon completion.

Introducing the KPMG ESG Academy

The digital KPMG ESG Academy has answers to key environmental, social and governance (ESG) questions through an up-to-date learning experience designed by KPMG professionals and delivered in collaboration with leading international academic research institutions.

Its foundation-level curriculum is designed for practitioners who want to dive into pressing ESG issues.

The KPMG ESG Academy is accessible through your preferred system:

- KPMG Learning Enablement & Analytics Platform (LEAP)
- Microsoft Teams and Viva Learning
- Your own learning system

KPMG professionals are committed to helping clients succeed sustainably. This ESG Academy offers training on a range of topics, developed with leading academic collaborators and ESG specialists. With advanced technology, you can trust that learners can receive leading ESG training.”

- Goran Mazar, EMA Head of ESG

The KPMG and Microsoft collaboration and technology integration showcases modern learning and gives a leading learning experience.
