# Introducing the Kyndryl Employee Dashboard

The screenshot displays the Microsoft Teams interface with the Kyndryl Employee Dashboard. The dashboard is titled "kyndryl Employee Dashboard" and includes navigation links for Home, Documents, Pages, and Site contents. The main content area is titled "My Dashboard" and features several widgets:

- Email Tracking:** Unread Tracked Mail(s) : 122 (Urgent : 72, VIP Sender : 25, Keyword Searched : 25). Buttons: View Details, Update Rules.
- LMS Updates:** Total learnings for this week : 5 (Overdue for self : 2, Overdue for my team : 2). Buttons: My Learnings, My Team Learnings.
- Assigned Tasks:** 2 urgent due (Demo Preparation for client visit + 1 more). Button: See all.
- Contact Support:** Reach out to us in different ways! (Five9 logo). Button: View Options.
- Travel Itinerary:** Travel from Chicago to New York (Your trip starts on Wed, 24 May, 2023 05:30 AM). Button: Trip Details.
- Quick tips:** Juice jacking security exploit. Button: Quick view.

A smartphone in the foreground shows the mobile version of the dashboard, displaying a notification for "My Device Info" (Your device is unhealthy) and "Contact Support" (Reach out to us in different ways!). The mobile interface also shows the Five9 logo and LMS updates (Total learnings for this week : 6). The bottom navigation bar of the mobile app includes Activity, Chat, Teams, Calendar, Calls, and More.
