

# Power Apps in a Day Workshop

The cloud has fundamentally changed the way organizations are doing business. Cloud computing has provided unparalleled opportunities to streamline technology utilization and create workflows that automate tasks and approval processes.

Our Power Platform workshops are designed to create efficiencies in the workplace and increase employee productivity. It is a system that enables users to do three key actions on data that help them drive business: Analyze, Act, and Automate.

Gold Application Development  
Gold Application Integration  
Gold Cloud Business Applications  
Gold Data Analytics  
Gold Data Platform

## WHAT WE OFFER

Register today for an all-day interactive training to learn how to create custom business applications without writing code, leveraging the Microsoft Power Platform technologies - Power Apps and Power Automate.

App in a Day is designed to accelerate your Power Apps and the rest of the Power Platform stack experience with a comprehensive training in a single day led by a certified Microsoft Partner.

The training provides practical hands-on experience with Kyndryl who specializes in creating Power Apps solutions in a full-day of instructor-led App creation workshop.

### Modules include:

- Introduction to Power Platform
- Power Apps: Canvas Apps
- Microsoft Dataverse
- Power Apps: Model-driven
- Microsoft Power automate

# Why Kyndryl?

kyndryl.

- Kyndryl has decades of experience working with customers to deliver enterprise-grade workload analysis, migration, implementation, and managed services for the most complex workloads
- Kyndryl has the people, processes, and technology to help organizations progress their digital transformation journey using intelligent data and AI-driven insight

## Our people:

Hours of training in first half 2021

## Powering mission-critical technology systems across essential industries

**5/5**  
top airlines  
by revenue  
passenger  
miles (RPM)

**45%**  
of passenger  
cars made  
by our  
customers

**61%**  
of assets under  
management  
by the top 50  
banks managed  
by our  
customers

**4/5**  
largest  
retailers

**49%**  
of mobile  
connections  
managed by  
our customers

\*2019 numbers

## Empowering thousands of customers

**4,000**

Global customers,  
including:

...of the Fortune 100  
and more than half  
of the Fortune 500

## Providing undisputed leadership

**6.1M** mainframe  
installed MIPS

**270K** network  
devices managed

**5,200+** WAN  
devices managed

**3.5M** LAN  
ports managed

**67K+** VMware  
systems managed

**14K+** SAP  
instances managed

**3.5+** exabytes of customer  
data backed up annually

Kyndryl works at the core of businesses that move the world. With more than 90,000 skilled professionals operating in over 100 countries, we design, build, manage and modernize the mission-critical technology systems that the world depends on every day.
