

## Skype for Business to Microsoft Teams Migration

### Microsoft Teams Migration

As of July 31, 2021, Skype for Business Online has ceased to exist, which means your organization is most likely planning an upgrade to Teams. Our experts will come to the rescue!

We offer a comprehensive approach to solving this problem, which includes:

1. Analysis of the existing infrastructure
2. Transfer of ground infrastructure to a hybrid mode
3. Create migration policies.
4. Migrate data to Teams
