

The Intelligent Workspace for Exceptional Law Firms

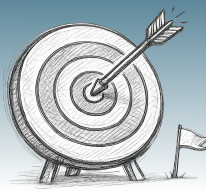

Reality Today

Growing firms have the expertise to deliver exceptional work, but often lack the leverage required to scale it.

Where It Breaks

- Lawyers absorbed by repeat work
- Individual knowledge silos
- Senior bandwidth constrained
- Client interruptions breaking focus
- Growth straining existing systems

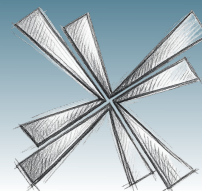

Our Goal

Equip growing sized firms with the leverage to outperform larger competitors.

We believe they can

- Compete with larger firms
- Win higher value mandates
- Deliver expert work with lean teams
- Move faster across matters
- Maximize profits & built client trust

How Lawxy Scales

Lawxy multiplies the output of growing firms with AI driven legal intelligence.

What This Unlocks

- Litigation strategy in minutes
- Contract risks surfaced instantly
- Drafting guided by precedents
- Clause intelligence across contracts
- Big-firm output from lean teams

Time Saving Per Tasks*

Task	Without Lawxy	With Lawxy	How Lawxy Works With Your Firm
 Drafting legal documents	3-5 hrs	5 mins	Drafts using your firm's templates, clauses, and preferred drafting style
 Litigation preparation	6-8 hrs	1 hr	Builds arguments grounded in Indian case law, aligned with your litigation strategy
 Contract review	2-3 hrs	30 mins	Reviews & redlines contracts using your firm's playbooks and clause preferences
 Due Diligence	1-2 hrs	15 mins	Captures parties, dates, obligations structured for your matter workflows
 Legal research & briefing	3-4 hrs	1 hr	Finds judgments and summarizes insights aligned with your precedent approach
 Legal Translation	3-4 hrs	3 mins	Instantly translates legal documents while preserving legal accuracy and context

* add as per real firm pilot deployments
