

LP+ADOPT

TEACHING FOR TOMORROW

LP+ADOPT is a cloud-based platform offering professional development courses with assessments and certification options. The platform offers the ability for exams with proctoring options.

LP+ADOPT is designed to be flexible, and offers simple interfaces for rapid deployment.

FEATURES

SIGN ON: Integrate with MS Active Directory for single sign-on, or use system generated credentials. Users are notified of upcoming courses / exams automatically.

COURSES: Create and curate course content for personalised learning pathways. Courses are displayed in easy-to-follow sections and can include text, videos and audio.

ROLES: Role based access for moderators and administrators allows easy course management.

ASSESSMENT: Set assessments and exams, with certification options, with or without course content.

QUESTION TYPES: Over 21 question types, includes multiple choice, checkboxes, dropdown, text input, drag and drop, and math expression are available.

QUESTION BANKS: Store questions to automatically populate new exams and course material.

AUTOMATIC MARKING: Allows exams to be marked instantly and the results published at a time of your choosing.

CERTIFICATION: A customised certificate can be provided to the examinee after passing an exam.

PROCTORING: Examinees can be monitored throughout an exam using Microsoft Teams, or other tools.

INSIGHTS: Full data analytics enables administrators to scrutinise user activity, including performance, enrolment, geography, and demographics.

REPORTING: A full set of compressive reports are available, with options to fully customise.

FRAMEWORK: LP+ADOPT is also a published framework selected as the national model for the UK.

Course > Exam > English > None

English is a Timed Exam (30 minutes)

This exam has a time limit associated with it. To pass this exam, you must complete the problems in the time allowed. After you select I am ready to start this timed exam, you will have 30 minutes to complete and submit the exam.

I am ready to start this timed exam.

Can I request additional time to complete my exam?

If you have disabilities, you might be eligible for an additional time allowance on timed exams. Ask your course team for information about additional time allowances.

“The ADOPT Framework consists of significant and progressive steps in the adoption and utilisation of learning platform technologies to support a school’s development.” - Welsh Government (UK)
