

**Proactive debt management** addresses corporate and consumer payment issues **before they escalate to distressed debt.**

## Addressing **common collection** challenges

**Are late payments disrupting cash flow and affecting financial stability?**

**Collect with Ease** allows you to set up automated payment plans tailored for each customer.

**Are discrepancies and disputes of accounts delaying payments?**

**Collect with Ease** initiates an automated workflow to prevent prolonged delays.

**Are your customers difficult, uncooperative, evasive, or rude?**

**Collect with Ease** sends polite and professional automated reminders, reducing the need for direct interactions.

**Are you able to keep track of debtor promises to pay?**

**Collect with Ease** streamlines management and tracking of debtor commitments with customisable workflows.

**Are you spending the same amount of effort collecting each debt?**

**Collect with Ease** allows you to set different strategies for different debt profiles.

Software that enhances **cashflow, customer relationships** and overall **business sustainability**

## About Us

**Collect with Ease** is developed by Legal Interact, a pioneering Legal Tech company that has been at the forefront of building technology solutions for debt collection since 1982. With over 40 years of experience and a team of more than 80 professionals across specialised areas, we are committed to developing cutting-edge technological solutions that empower the users.
