Our Approach

## Design and Implement your Landing Zone

Initial configuration for:

- Account Structure
- Network Structure
- Pre-defined Identity and Billing Frameworks
- Pre-defined User Selectable Packages

Customer benefits

- Ready for initial migration (scope is defined and secured)
- Ready for migration and further customization

Linkbynet proven methodology

Over the years and the thousands of workloads we have migrated to the Cloud, we have developed a robust and proven methodology.

Design & Deployment

Next steps

| Account | Network | Security | Identify & Access | Pilot Phase | Migrate Workload with LINKBYNET |

- Subscription
- Management Accounts

- Core Services
- Direct Connect
- Domains

- Image
- Configuration
- Logging

- Access
- Identities
- Federation
