

# LOGICALIS TEAMS CALLING – 2 HOURS WORKSHOP

## Microsoft Teams for simplified collaboration

Microsoft Teams is the number one technology for any company transitioning to an age of hybrid work, remote collaboration, and communications

Microsoft Teams Calling has become an essential part of Businesses worldwide. Remote work has become the new normal for companies in every industry. Microsoft Teams Calling is Microsoft's cloud-based phone system for Microsoft Office 365. Essential for transitioning to a Modern Work environment, the system can be used from your mobile, desk phone or computer.

The Teams Calling Workshop is a modular engagement to experience the vision for Microsoft Teams with Phone System capabilities and Advanced Communication scenarios. This workshop is designed to guide you through the process of a simplified enterprise voice solution with reliable, high-quality, integrated calling. Through demonstrations, use-case design, and deep-dive planning you will obtain actionable recommendations to deploy and adopt Microsoft Teams Calling with Phone system.

### Unify your legacy PBX system

Provide a complete voice solution in the cloud. Reduce reliance On-Prem hardware and eliminate points of failure.

### Simplify IT

Increase agility and consolidate voice management with rapid provisioning, reporting, and diagnostics in the Teams admin center.

### Scale globally

Connect your phone system to the Microsoft worldwide network, and get the power of the Microsoft cloud wherever your business goes.

### Scope of works

- Current State Assessment
- Analyzing work process and Migration strategy
- Directions on transitioning various user profiles
- Identify use case scenarios and recommendations to enable Implementation and Adoption
- Demonstration of the Teams Calling experience
- Showcase the rich portfolio of 3rd party Applications and Devices

### Benefits

- Learning about the features and functionalities of Teams Calling
- Improving communication and collaboration
- Enhanced Productivity
- Enhanced Remote Work capabilities
- Better Cost Management
