

Solution Brief:  
Migration for Finance

*“Logicworks demonstrated both a higher level of understanding of our needs and a more clearly defined process than the other companies we vetted.”*

Sam Whittle  
Fiduciary Technology Partners

# Migrate PCI-Compliant Workloads to Azure

Accelerate cloud migration + achieve PCI compliance

Accelerate your migration to AWS

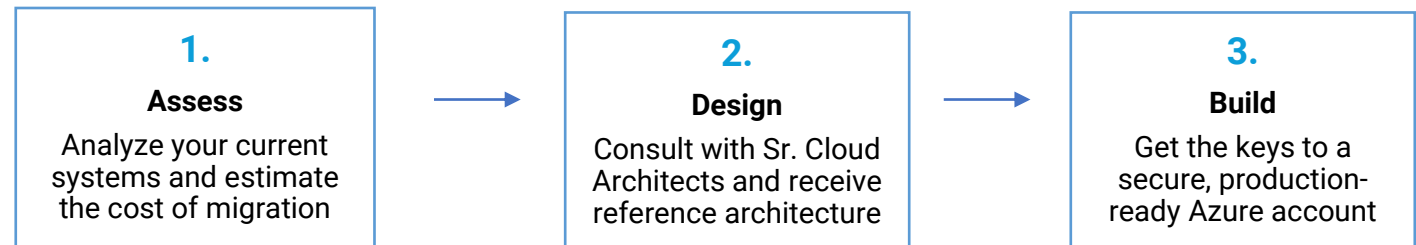

Get security & PCI compliance built-in from Day 1

Access special funding from Azure + Logicworks

## Our Migration Service

Need to migrate your PCI-compliant workloads to Azure? We've helped dozens of finance companies accelerate migration, avoid common mistakes, and meet security and compliance requirements. Logicworks is your first step towards fast, secure Azure migration.

### Case Study: Numerix

The global leader in capital markets software relied on Logicworks to design and build a PCI-compliant cloud environment. The result is that they reduced customer onboarding time by 60%, increased profitability of their software, and have confidence that their cloud is always compliant.

*“From the early sales cycle to our day-to-day conversations, I can sense good will -- that they care about our business's success. We're glad we chose Logicworks.”*

Benjamin Meyvin, Sr. VP, Numerix
