

SharePoint Online Landing Page Revamp

About Us

Welcome to Lotus Beta Analytics (LBAN), a dedicated team of certified experts passionate about enhancing your workplace collaboration and productivity. We focus on professional world-class service delivery, delivered according to global best practices, and customer satisfaction. Our clients and Enterprise and SMB's spread across different industries in Nigeria.

ANALYSIS

We initiate by accessing your current intranet, identifying pain points, and collaborating closely to lay the groundwork for our revamp strategy.

PLANNING

Leveraging analysis insights, we create a tailored plan that details enhancements in design, features, functionality, and user experience, aligning with your culture and long-term vision.

DEVELOPMENT

With the plan in place, our expert developers and designers get to work.

DEPLOYMENT & SUPPORT

With the plan in place, our expert developers and designers get to work.

Our Solution

Introducing our SharePoint Intranet Revamp service – a comprehensive solution designed to rejuvenate your internal communication and streamline processes. Our service includes a thorough assessment of your current intranet, a tailored revamp strategy, and meticulous implementation to ensure your platform becomes an indispensable asset to your organization.

KEY INFO:

SharePoint Online Landing Page revamp revolves around a collaborative partnership. We'll work closely with your team to understand your unique requirements, align our strategy with your goals, and execute the revamp seamlessly. We combine cutting-edge technology with best practices to ensure a hassle-free migration, minimal downtime, and comprehensive training for your staff.

TESTIMONIALS

LBAN team has proven capability in deploying solutions that enhance productivity and further improved the effectiveness of our security application within our business environment

"Impressed by the transformation! Our new SharePoint Intranet has revolutionized the way we work together.
