

Lucidica Office 365 Migration

Transition Your Business Seamlessly

Our expertly managed Office 365 migration service is designed to be completed in just 4 weeks. We ensure a smooth migration, extensive setup, and specialised training to empower your team.

With robust security and compliance measures integrated throughout, we empower you to reach the full potential of Office 365 with confidence.

Lucidica Special Offer

We offer a **£500** discount on Office 365 migration services for businesses that have already completed our Office 365 Free Risk Assessment and Health Check.

What's Included in Our Migration Services?

1 Assessment and Preparation

- A thorough evaluation of your current infrastructure to ensure a seamless transition.
- Connection of your existing systems to a new or existing Office 365 subscription with our expert support.

2 Expert Consultancy

- A certified Office 365 consultant will manage the process, providing a detailed report on the successful deployment of Office 365 in your environment.

Our Comprehensive Deliverables

We offer a complete migration service, ensuring every detail is taken care of:

1. Complete Migration

Transition all your data and services from your existing platform to Office 365 with minimal disruption.

2. App Configuration

Set up and configure core Office 365 apps, including Teams, SharePoint, and OneDrive.

3. Data Migration
