About www.mylycee.com

The modern day scenario is fast changing with the rapid onset of 360-degree digital overhaul in our lives, and society as a whole. This revolution, often referred to as digital transformation is now touching every aspect of human life.

The digital wave is not only changing and redefining industries across the globe, but it also extends to the most important part of human evolution-education. It is imperative for education to transform digitally and leverage an experience that enriches educators and students across the globe, to secure a better future for all.

One pain area which is universally affecting all educational institutions is fee collections. Understating this problem Tech Avant-Garde has designed Efeeonline –Bespoke Multimodal Fee Payment Solution ensures steady cash flow by prompt collection of fee, from anywhere, anyplace and on any device, which the need of the hour for parent as well as the institution. Long hours waiting in queues for parents, wasting precious hours away from work and battling traffic, makes the quest for a painless process a priority for both, the parent as well as the institution. Tech Avant-Garde in accordance with the Bharat Bill Pay System (BBPS) procedural guidelines implemented by National Payments Corporation of India (NPCI), is facilitating multimode fee payment system on Efeeonline using the (BBPS).
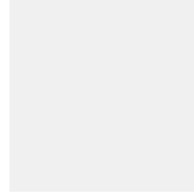

BBPS has Online Mode of payment include Credit Cards, Debit Cards, IMPS, Net-Banking, NEFT, Wallets, UPI etc. BBPS also provides different payment channels such as: Internet, Mobile, POS, MPOS, KOISK, ATM, Business Correspondents, Bank Branch and Agents.
