## ▶ Student – Login or Register

1. Goto <https://www.getsetlearn.online/> and Click Register/Sign In button.
2. You can login through phone number by enter OTP or You can login through email id and password.(Google signin/Register option is available).
3. You can click "Use mobile number or Email address" to switch login method between email address and phone number.

The screenshot shows the website [www.getsetlearn.online](https://www.getsetlearn.online/). The header includes the logo, an 'Explore' dropdown, a search bar, and a 'Register/Sign In' link. The main content area features two login forms under the heading 'Login to Get Set Learn'. The left form is titled 'Login to your account with Phone Number' and includes a phone number input field with a country code dropdown (+91) and a 'SEND OTP' button. A red link 'Use Email Address' is positioned below the phone number field. The right form is titled 'Login to your account with Email' and includes 'Username' and 'Password' input fields, a 'LOGIN' button, and red links for 'Use Mobile Number' and 'Forgot Password?'. A 'G+' icon is visible at the bottom left of the page.

# ▶ Student – Course Enrollment

1. Post login, Goto <https://www.getsetlearn.online/uj-filter> to select the preferences w.r.to Partner/Grade/Age/Course duration etc.,
2. Click the "Know more" button in the course post filter down your preferences then Click "Enroll now" to add the course into the dashboard.
3. Goto <https://www.getsetlearn.online/dashboard> or Click the top right profile dropdown then click "Dashboard" to view all the courses

The screenshot displays the 'uj-filter' page on the Get Set Learn website. On the left, there is a 'Filters' sidebar with sections for 'Type Of Courses' and 'Partners'. The 'Partners' section includes checkboxes for TicTacLearn, Anu English, Sportz Village, EducationOx, TechMadeFun, Tinkerly, Codevidhya, and Genius Corner. A black arrow points to the 'TicTacLearn' checkbox. The main content area features an illustration of a man and a child looking at a peacock in a park. Below the illustration is a text block in Telugu describing the platform's offerings. To the right of the text is a circular logo with a red and white figure. Below the text are three filter buttons: 'Age 8+' (pink), 'Board ALL' (purple), and 'Duration 12 mon' (blue). At the bottom right, a blue 'ENROLL NOW' button is highlighted with a black arrow. In the top right corner, a user profile dropdown menu is open, showing options: 'Dashboard', 'Account Settings', 'Profile', 'Take Quiz', and 'Sign Out'. A black arrow points to the 'Dashboard' option. The top navigation bar includes 'Blog', 'Contact Us', and a phone number '+916500060003'.

# ▶ Student – How to view the course from Dashboard

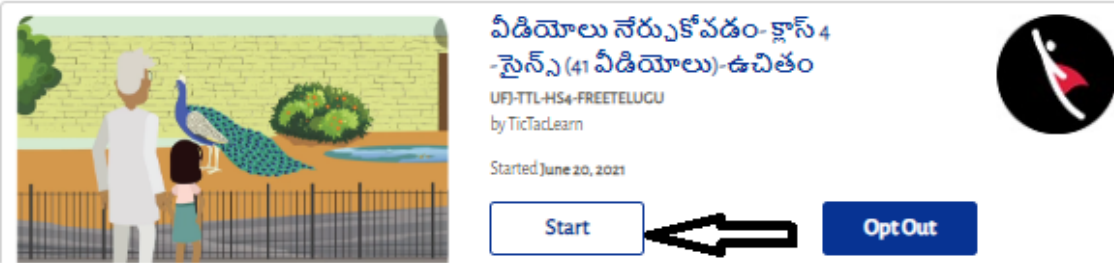

1. Once we enrolled the course, Goto dashboard then click "Start" button to view the course.
2. Click "Start course" to view the videos in the courses.
3. You can click "Optout" to remove the course from the dashboard.

## Welcome to Student Dashboard

This is your dashboard. You can access all of your purchased courses on this page. To update Profile goto [Account Settings](#).

Studio View

# ▶ Course creation

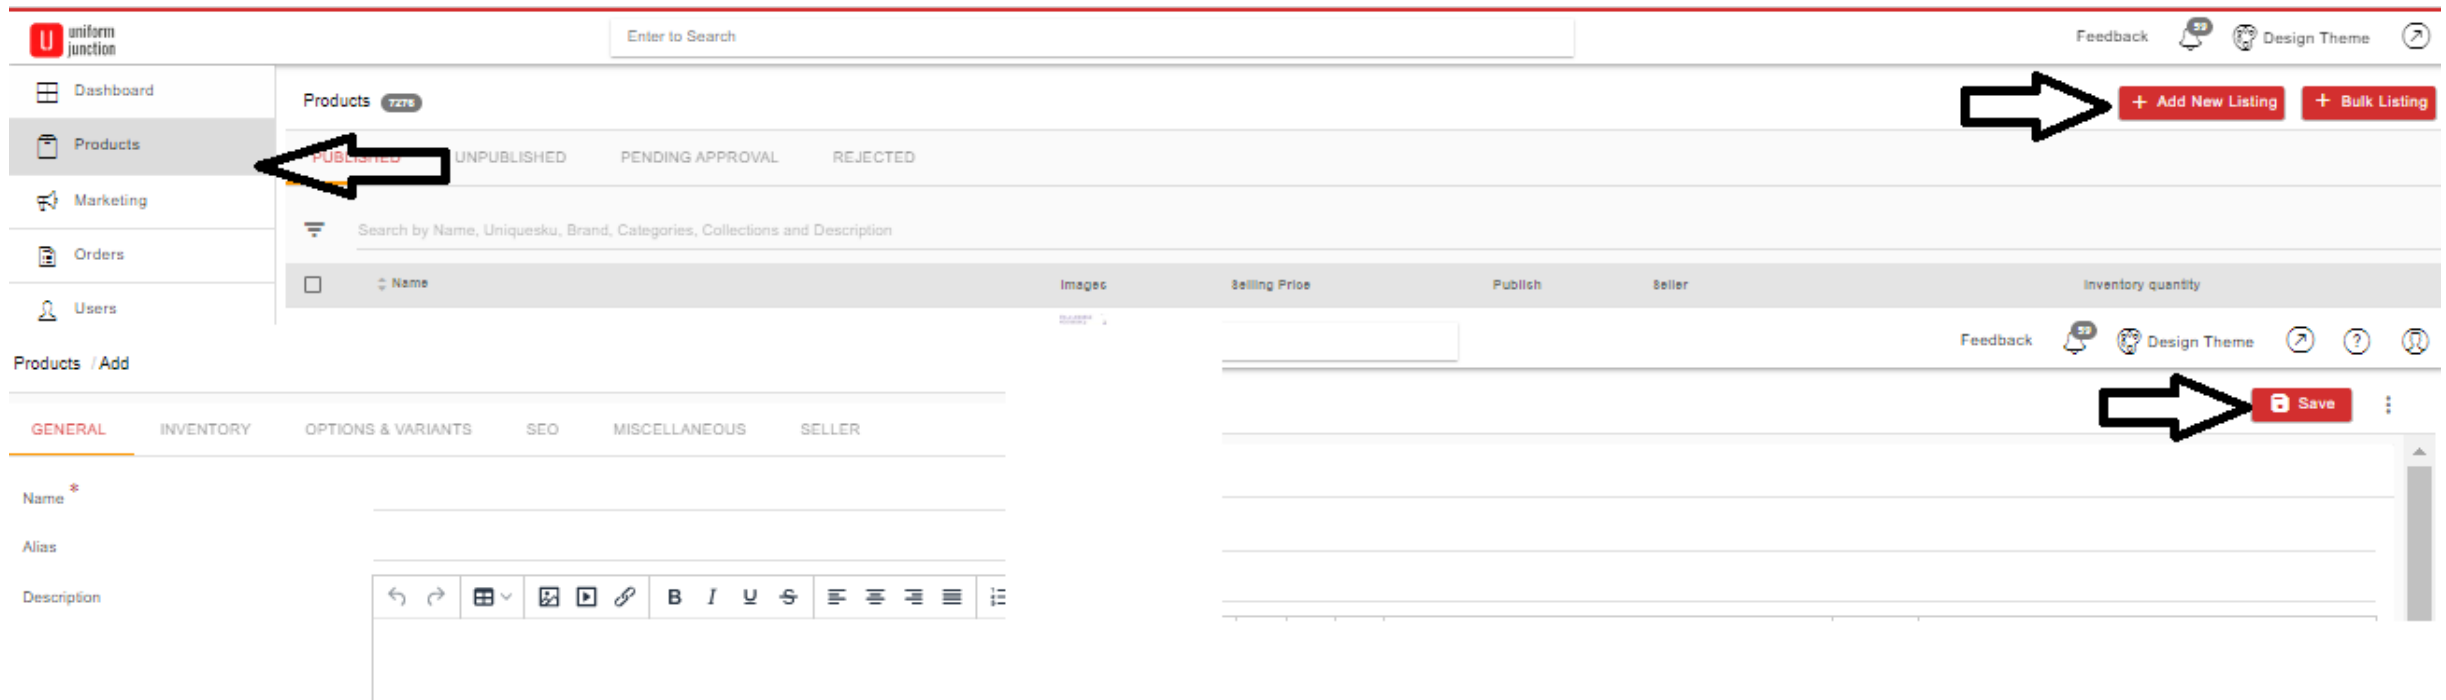

1. Goto <https://studio.getsetlearn.online/home/> and Click New course to add any course to the system.
2. Enter all the relevant details and click "CREATE" to view the course in backend.
3. Click "Schedule & Details" in the settings dropdown in header to add the Start and End time of course/Categories/Grade/Description/SKU ID, etc.,

The screenshot displays the Studio Home interface. At the top right, there is a 'Help' link and a user ID '608162fef57027c3...'. Below this, there are two green buttons: '+ New Course' and '+ New Library'. A white arrow points to the '+ New Course' button. Below these buttons, there is a 'New to Studio?' section with a link to 'Help'. The main content area shows a course titled 'Mini MBA for Teens' with options to 'Re-run Course' and 'View Live'. Below this, there is a navigation bar with 'Content', 'Settings', and 'Tools' tabs. The 'Settings' dropdown menu is open, showing options: 'Schedule & Details', 'Grading', 'Course Team', 'Group Configurations', 'Advanced Settings', and 'Certificates'. A white arrow points to 'Schedule & Details'. Below the navigation bar, there is a 'Course Outline' section with a table showing 'Start Date', 'Pacing Type', and 'Checklists'. At the bottom right, there is a 'Create a New Course' form with fields for 'Course Name \*', 'Organization \*', 'Course Number \*', and 'Course Run \*'. The 'CREATE' button is highlighted with a white arrow.

## ▶ Mapping of new course in studio with the backend substore

1. Goto <https://cartlogin.getsetlearn.online/admin/entity/ms.products> then Click "Add new listing".
2. Enter all the relevant details like Product name/Inventory/Partner name etc.,
3. SKU id should be unique between Studio and backend substore to perform the purchase/inventory mapping etc.,
4. Click Save to publish the course in the front end.

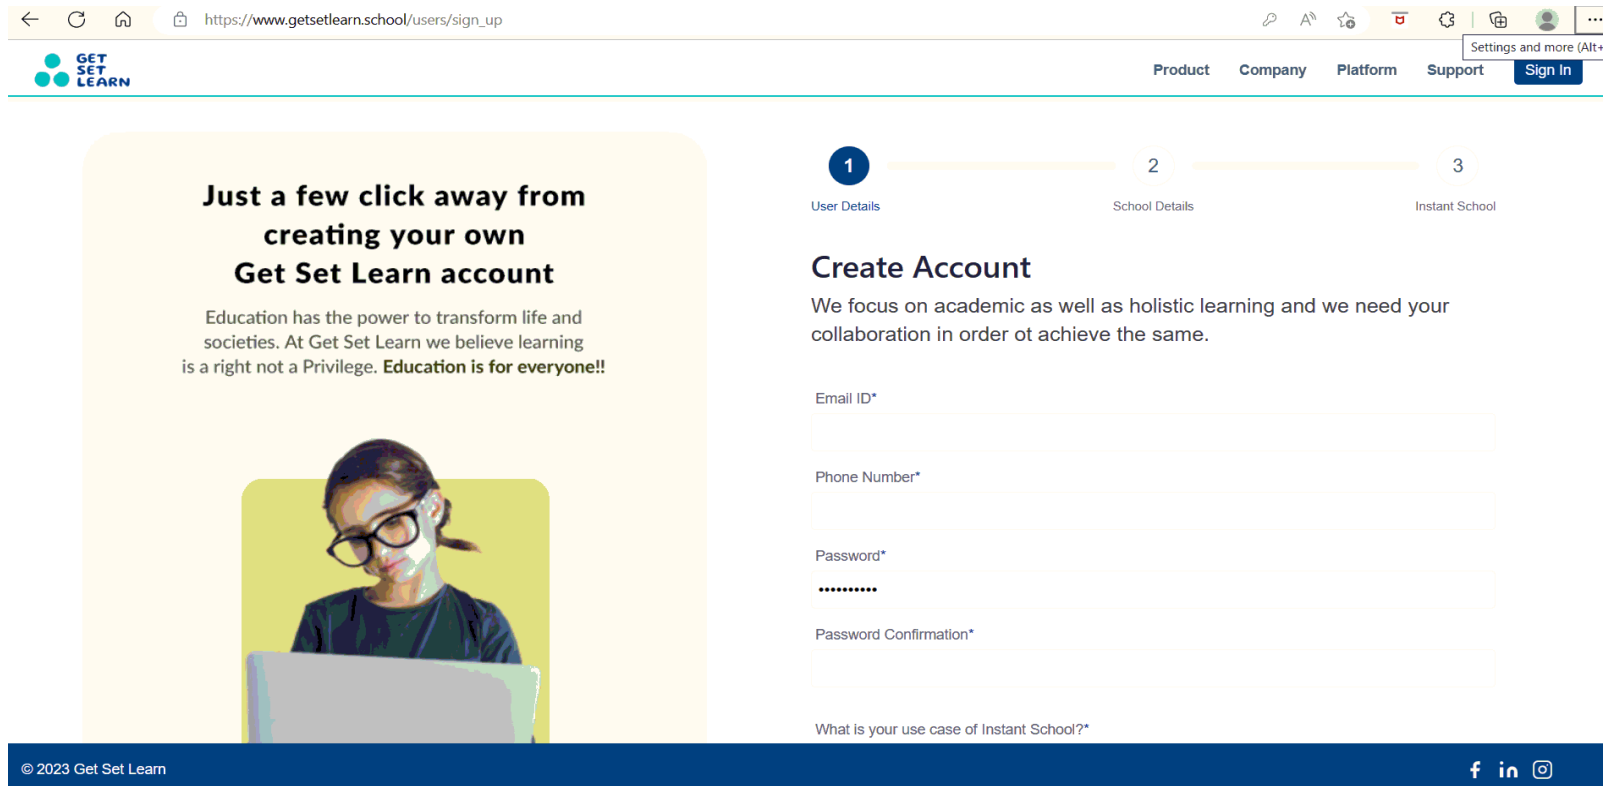

The screenshot displays the Uniform Junction admin dashboard. The left sidebar contains navigation options: Dashboard, Products, Marketing, Orders, and Users. The main content area shows the 'Products' section with a search bar and a table of product listings. The table has columns for Name, Images, Selling Price, Publish, Seller, and Inventory quantity. The 'Add New Listing' button is highlighted with a black arrow. Below the table, the 'Add New Listing' form is visible, with the 'Save' button highlighted by another black arrow. The form includes tabs for GENERAL, INVENTORY, OPTIONS & VARIANTS, SEO, MISCELLANEOUS, and SELLER. The 'GENERAL' tab is active, showing fields for Name, Alias, and Description.

Instant School

# ▶ Instant school creation - Step 1

1. Click Sign Up on [www.getsetlearn.school](https://www.getsetlearn.school)
2. Enter all the relevant details like Email id, Phone number, instant school name, etc.,

## ▶ Create Instant School

The screenshot shows the sign-up page for Get Set Learn. The browser address bar displays [https://www.getsetlearn.school/users/sign\\_up](https://www.getsetlearn.school/users/sign_up). The page features a navigation menu with links for Product, Company, Platform, Support, and Sign In. A progress indicator at the top shows three steps: 1. User Details (active), 2. School Details, and 3. Instant School. The main heading is "Create Account", followed by the text: "We focus on academic as well as holistic learning and we need your collaboration in order to achieve the same." The form includes fields for Email ID\*, Phone Number\*, Password\*, and Password Confirmation\*. A question "What is your use case of Instant School?" is also present. On the left, a promotional banner reads: "Just a few click away from creating your own Get Set Learn account. Education has the power to transform life and societies. At Get Set Learn we believe learning is a right not a Privilege. Education is for everyone!!" with an image of a student using a laptop. The footer contains the copyright notice "© 2023 Get Set Learn" and social media icons for Facebook, LinkedIn, and Instagram.

# ▶ Instant school creation - Step2

1. Select and add course(s) as per the NEP identification
2. Additionally events, packages & exclusive courses can also be added

## ▶ Create Instant School
