## CREATE PROFESSIONAL LIVE VIDEO WITH EASE

VEGAS Stream Pro 365 comes with VEGAS Stream and VEGAS Pro

Reach, engage and grow your audience. In an increasingly virtual world there is no better way to connect to your audience than with an online live event. Whether you are using Zoom or YouTube, VEGASStream takes your live production from a simple webcam to multiple cameras, video play-ins, dynamic graphics and more. Easily edit your event with VEGAS Pro and re-publish for on-demand viewing. VEGAS Stream works with your favorite apps and streaming services such as Facebook Live, YouTube Live, Microsoft Stream and more. VEGAS Stream Pro 365 is designed for Business, Education, Content Creators and Live Events.

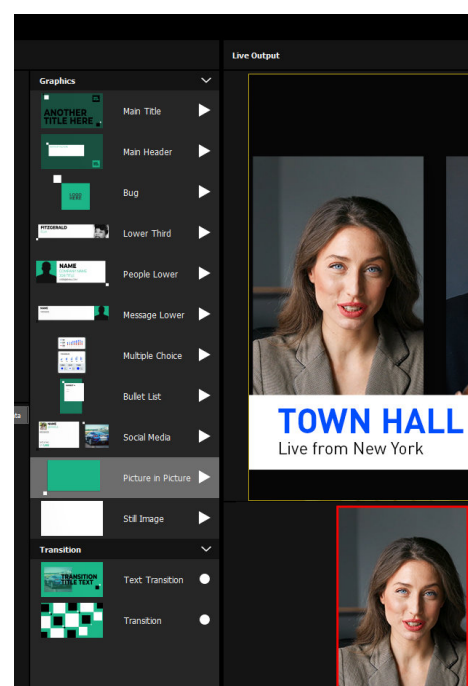

## HIGHLIGHTS

### VEGAS Stream

- An easy-to-use live production studio in a single desktop app
- Switch between multiple cameras and video sources with ease
- Include remote presenters from Microsoft Teams right into your production
- Integrate social media live chats, comments, posts, tweets and polls
- Integrate Microsoft Graph Data such as Teams chats, Teams Surveys and People Finder
- Works with conferencing apps like Microsoft Teams and Zoom, streaming services like YouTube Live, Microsoft Stream and more

### VEGAS Pro

- Edit your events or other videos with the fastest video editor on the market
- Work with industry leading formats, including HDR and 8K
- Fine tune your production with advanced color correction & grading
- Use a wide range of titles, transitions, filters and effects
- Use AI-supported editing tools such as Colorization and Style Transfer
- Record, edit, clean, and master audio with SOUND FORGE Pro
- Works seamlessly with VEGAS Stream or as standalone software
