MAIBORNWOLFF

The first step into the cloud

Application Migration Discovery Workshop with ATROPOSS

Adrian Schmidt

Agenda Application Migration Discovery Workshop Day 1

Time	What?	Who?
09:00 – 10:00	MaibornWolff: • Intro & Experiences from the industry	
10:00 – 12:00	From your site: • Motivation • Current state • Current timetable • Project boundary conditions	• From your side: • Project Lead • Technical Lead • Further stakeholder
13:00 – 16:00	Togehter: • Overview and categorising of the applications • Consolidating timetable for migration • Identify POC • Cost estimation	• MaibornWolff • Executive Consultant • *Cloud Architects* • Project Lead
16:00 – 16:30	Together: • Outlook Day 2 • Feedback and conclusion	

Agenda Application Migration Discovery Workshop Day 2

Time	What?	Who?
09:00 – 10:00	MaibornWolff: • Intro & Best Practices zu Application Migration	• From your side: • Project Lead • Technical Lead • Further stakeholder • MaibornWolff • Executive Consultant • *Cloud Architects* • Project Lead
10:00 – 12:00	Togehter: • Finding demo application to work with • Define simulation parameters • Collect expectations for the day • Start working on technical simulation	
13:00 – 16:00	Together: • Continue on working on technical simulation • Collect findings	
16:00 – 16:45	Together: • Discuss findings • Next Steps	
16:45 – 17:00	Together: • Feedback and conclusion	

Cloud Migration in 4 steps with the CAF

Phase 1:

- Capture of the ACTUAL state
- Selecting the migration method
- Fetching all stakeholders
- Adapt the organization if necessary

Phase 2:

- Choosing a pilot application
- Creating the infrastructure with IaC
- Creating the pipeline structure

Phase 3:

- Migration of the MVP
- Automate the infrastructure
- Creating the blueprint for application migration

Phase 4:

- Other application migrations
- Implement governance issues
- Implement Observability and BackUp

people. code. commitment.

- High invest in research & development
- Over 900 employees worldwide
- Locations: München, Augsburg, Darmstadt, Frankfurt, Berlin, Hamburg, Tunis, Valencia, Alicante
- 12th year in a row Great Place To Work
