Ready to modernize your workplace?

Get more from the cloud with Azure Virtual Desktop

Deliver a great experience on Azure Virtual desktop—a comprehensive, highly secure virtualization service on Microsoft Azure.

In 2020, the number of people working remotely^{1,2} jumped from **7% to 66%**

Azure Virtual Desktop usage has grown more than³ **3x**

\$1 Billion USD

Invested by Microsoft per year to protect customers' data from cyberthreats on Azure.⁴

Modern. Agile. Secure.

With Azure Virtual Desktop, your employees can work almost anywhere using the apps they rely on, while you benefit from optimized costs, powerful security, and easier management.

Get more value from your IT budget with flexible, scalable cloud offerings including multi-session pricing.

Gain end-to-end security with built-in features like Azure Firewall for Azure Virtual Desktop.

Simplify management and have more time and money for business innovation.

Give employees a modern remote experience with seamless connections to their full desktop, including line-of-business and Microsoft 365 Business Premium apps.
