

MazarsNow! Human Resources — Microsoft

To meet the diverse business needs of our clients, we offer an accelerated deployment to efficiently integrate and deliver Microsoft Dynamics 365 HR products.

Scalable Transformation

Inefficient workforce eco-systems create costly disruptions to operations. Rely on our trusted advisors to help transform outdated workforce management models to one effectively address the unique needs of your organization. Our goal is to ensure the correct talent is in place, to do the job right at the optimal time and cost.

Envisioning the Future Together!

Together with Microsoft Dynamics HR, MazarsNow! utilizes a predefined scope of service using an accelerated delivery model without compromising the quality of service or product integrity.

Our design-first approach begins with an envisioning workshop to define the digital transformation of your organization before concluding with a successful Dynamics 365 HR deployment; forging a path toward building your future roadmap.

mazars

Key Benefits

Mazars' HR Rapid Deployment drives value to your organization by helping:

- Increase employee engagement and fulfillment through a personalized self-service experience
- Reduce business complexities through the simplification of business workflows to identify talent, define skill gaps, and support your budget through workforce alignment to business mission and strategic action plans
- Provide expert assistance researching, selecting, and implementing future-state technology solutions designed for ease of integration
- Establish, assess, and optimize key performance benchmarks for labor cost management
- Maintain, improve, and evolve post-implementation successes with automated upgrades from Microsoft

Gold
Microsoft Partner

Dynamics 365 Human Resources Will Transform the Way Your Business is Done

Advance beyond traditional human capital management and improve organizational agility, optimize programs, discover workforce insights, and transform employee experiences for the better.

Why Mazars?

Mazars' Microsoft Practice, a Microsoft Gold Partner, offers end-to-end solutions covering all three Microsoft Cloud Offerings including Azure, Workplace Mobility, and Business Applications. Our focus areas include Dynamics/Power Platform solutions as well as analytics, IT infrastructure and

automation using RPA (Robotic Process Automation) to provide better business outcomes for our clients.

The Mazars Microsoft Practice has the industry breadth and depth, along with Microsoft Solution experts, needed to quickly implement Microsoft Business Solutions for you and your business.
