How can we help achieve A+ Viva Readiness?

Assess your Viva Readiness Score

- ✓ **Discover** Viva requirements readiness for all modules
- ✓ **Identify** and prioritize Viva content and use cases
- ✓ **Define** Viva knowledge and awareness for enablement and change management activities
- ✓ **Achieve** Viva readiness and pilot design strategy

Design your custom Viva Solution

- ✓ **Design** and provide a detailed Viva Readiness report with recommendations to improve your score
- ✓ **Guide** your leadership team on a strategy to increase and achieve the minimum B+ score required for a pilot implementation
- ✓ **Strategize** on how to rationalize the customized plan to target an A+ readiness assessment score
