

Create a purpose-driven culture with Microsoft Viva Goals for a Pilot group in 2 Days!

After passing your MDS Readiness Assessment, discover how Viva Goals leverages OKRs to align teams on a common business goal-setting and management methodology. Empower each person to understand their impact and keep priorities top of mind.

Why MDS?

With an experienced Viva solutions practice and delivery success stories, MDS will help your organization rapidly build and sustain your OKR program. Our team will collaborate with you to:

- Demonstrate the **value of OKRs** and **build internal buy-in**
- Create an **OKR playbook** that charts a course for long-term success
- Train** OKR champions to help scale your OKR program
- Write powerful, outcome focused OKRs**
- Implement** Viva Goals software and onboard users

Get started today with [Microsoft Viva Goals](#)

- Define success by creating OKRs from scratch or with easy-to-use built-in templates
- Focus discussions, provide context and simplify reporting with custom dashboards and OKRs that dynamically update
- Stay in the flow of work with the Viva Goals app in Teams and Azure Dev Ops

How can MDS help you build your Viva Goals:

Asses your OKR maturity and build a sustainable OKR program

- Get up and running quickly with OKRs, with workshop offerings focused on the basics.
- Train a group of your employees to be OKR Coaches that can help run your OKR program.
- Benefit from more comprehensive and hands-on coaching that can be tailored to your organization's needs.
