

PowerApprovals

Mekorma's mobile application allows busy executives to approve payments on-the-go

Works on a phone,
tablet or web browser

Securely approve
payments without logging
into GP

View transactions for
all GP companies

What our customers say:

"PowerApprovals has modernized approval workflows for us and has made the end of the payment cycle very, very simple. The approval process has been sped up. We recently ran an AP batch and our AP Lead was shocked that we were able to get it done in a day – previously it had been a 2-to-3-day process."

John Buchman, Controller, Rio Marine Inc.
