

Microsoft Dynamics 365 Business Central

OVERVIEW

Connect your financials, sales, service and operations.

Microsoft Dynamics 365 Business Central is a cloud-based, all-in-one business management solution which enables customers to upgrade from their entry-level accounting software or legacy ERP system to one single, comprehensive solution to manage finances, operations, sales and customer service.

MICROSOFT DYNAMICS NAV CAPABILITIES

Financial Management and Accounting – Manage your cash, assets, and banking.

Supply Chain, Manufacturing and Operations – Track and manage your production, inventory, orders, and vendors.

Marketing, Sales and Service – Manage your campaigns, sales opportunities, contacts, and service contracts.

Project Management – Create estimates, track projects, and manage capacity.

Business Intelligence and Reporting – Get real-time visibility and analytics to track performance and to act with insight.

Multi-currency – Compete globally with multi-currency and language capabilities.

KEY ADVANTAGES
