

Microsoft Teams Apps and Solutions Workshop

Get ready to achieve more with Microsoft Teams

As the hub for teamwork, Microsoft Teams is designed to help organizations improve collaboration and increase efficiency by automating key business processes. With the Teams Apps and Solutions Workshop, **Migrate Technologies** will work with you to identify ways to improve workplace productivity.

See what's possible

Learn what the Teams platform can do for your organization. Our consultants will walk you through the art of the possible, working with you to identify and prioritize key business scenarios to help solve your specific collaboration challenges. During the workshop, we'll show how opportunities to customize and extend your Teams workspace using the power of automation. Then, **Migrate Technologies** will design a plan that leverages Teams platform capabilities.

Realize better business results with improved automation

Drive business results
through scenarios for
increased productivity

Accelerate outcomes
with ready-to-use apps, plug and
play accelerators, and solution
options

Enable app governance
through guidance on governing
Teams apps using policies and
controls

Why work with Migrate Technologies?

With extensive solution development experience, we can help you improve workforce productivity through automation of key business processes, leveraging the Teams platform. We will work with you to understand your environment and identify opportunities to help you achieve continuous business value from your Teams investment. With industry and technology experience, you can count on us as your trusted partner in your transformation journey.

We'll work with you to:

- ✓ Identify and prioritize key use case scenarios
- ✓ Explore opportunities to streamline business processes and improve productivity outcomes
- ✓ Provide an implementation plan and next steps to help you achieve your desired goals
