

# Azure Marketplace Offerings

## Cloud Migration Readiness Assessment (Prelude)

# 1. Offering Name

Cloud Migration Readiness Assessment (Prelude - 2 Weeks Free)

# 2. Offer Summary

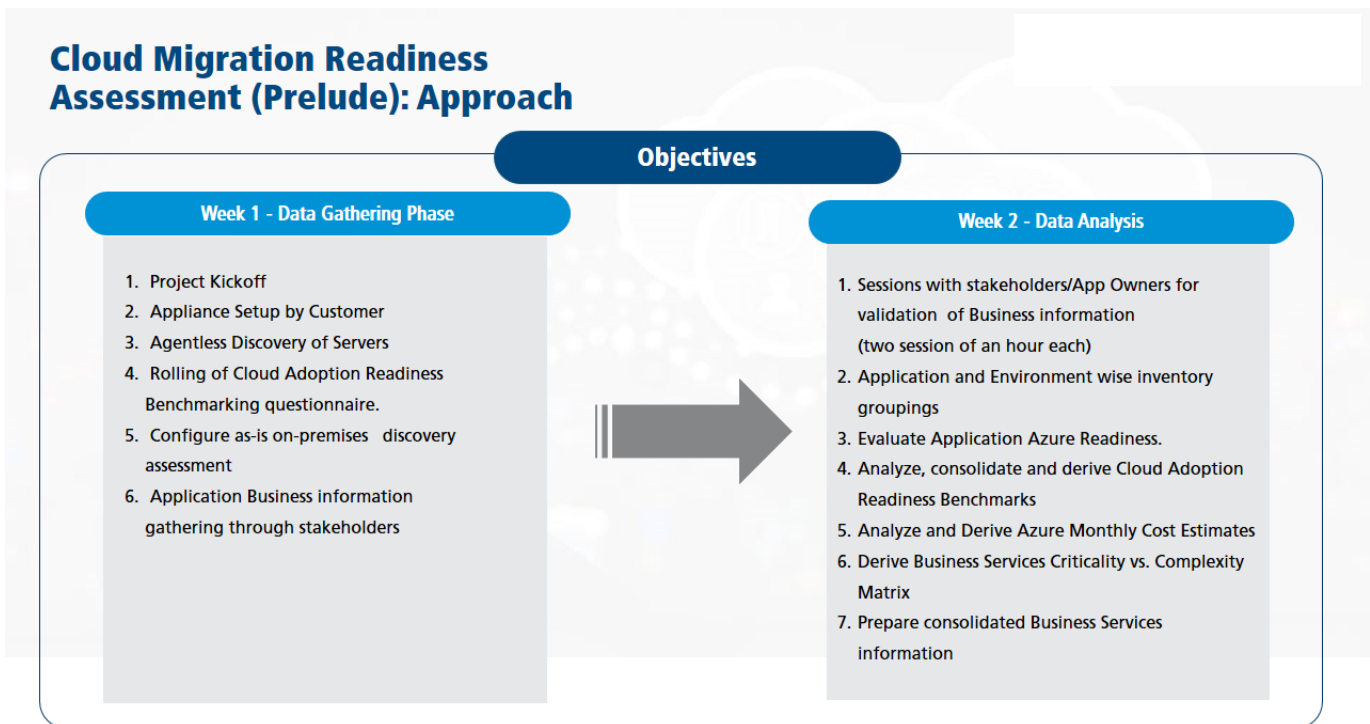

LTIMindtree offers a free of cost, 2 week assessment that helps you create a cloud transformation roadmap that can accelerate your journey to modernize infrastructure and applications using Azure Cloud.

# 3. Offer Description

We have a proven industry experience in delivering cloud migration readiness assessments and building cloud strategies that have enabled our customers to adopt cloud-first approach to achieve their business objectives. LTIMindtree leverages latest native tools, technologies, and our experience to help enterprises with our cloud migration readiness assessment offering for assessing the current IT environment and embark on your journey to cloud.

LTIMindtree Cloud Migration Readiness Assessment offering is the result of our strong partnership with Microsoft using their wide range of native tools, home grown developed tools and processes. This is a 2 week, free of cost engagement is a prelude to the full-blown Cloud Migration Readiness Assessment to help you get confidence by giving quick insights to Adoption Readiness, Workload Compatibility, Azure Cost Estimates, etc. which will help you to take informed decisions for their next steps in the roadmap of your journey to cloud.

Following are the phase wise activities performed in this assessment:

## 4. Deliverables

As part of this assessment, we will deliver the below reports which will help you to kickstart your Azure Cloud journey:

1. Azure Adoption Readiness report
2. Application and Environment wise Inventory grouping report
3. Azure Migration Readiness report
4. Azure Monthly Cost Estimates (of discovered inventory)
5. Azure portal-based dependency (for further consumption/deep dive assessment)
6. Consolidated high level Business Service report with Criticality/Complexity Matrix

## 5. Assessment Advantages

- LTIMindtree helps gain confidence by giving quick insights through this assessment, which will help you to take informed decisions for next steps in the roadmap of your journey to cloud.
- Qualitative and Quantitative assessment outcomes provided which will help set base for your migration journey.
- LTIMindtree has deep and extensive domain knowledge in Banking, Retail, Healthcare and Manufacturing industries. Applying this experience during assessment and readiness phase helps us understand your IT landscape much better and align your cloud strategy with business strategy.
