

Envision what your future in banking services looks like

Our experts are here to help you solve key challenges such as:

- Activating digital selling
- Enabling always-on service
- Generating customer experience value with proactive insights
- Managing financial risk and reducing fraud
- Automated process workflows
- What is the next best conversation

Empowering intelligent banking.

Banking is in a period of evolution as a result of transforming customer expectations and business models, non-traditional players leading to threat and disruption, fraud and cybercrime, new legacy systems, and unprecedented regulatory scrutiny.

Let's ideate together

Our DESIGN THINK.*catalyst* workshops. The catalyst for innovation.

1-day virtual design thinking workshop focused on digital transformation, delivered via Microsoft Teams gathering your people and our people together from anywhere in the world. Designed to accelerate innovation and keep everyone Covid-19 safe while greening the planet with its zero-travel carbon footprint.

DESIGN THINK.*catalyst* brings your business problem into focus through crowdsourced insights in your organizational ecosystem, creating visualized ideas, actionable tasks and measured outcomes to help you achieve goals, new products and future-proofed business models in the new way of doing business.

DESIGN THINK.*catalyst*. Create tomorrow. Virtually.

How Mint Group can help

Mint has been delivering banking solutions for the past 20 years, our team of specialists is ready to guide you on your transformation journey

What is Microsoft Catalyst?

Build, plan, and execute business transformation strategies with a proven, innovative approach from Microsoft Catalyst—an envisioning and planning program that employs Microsoft Dynamics 365, the Microsoft Power Platform, and the Microsoft Cloud. Your business transformation starts with an I.D.E.A.

Start by finding the transformation strategy that's right for you. Define and prioritize your strategy using development activities, then foster ideation and drive decision making with an envisioning workshop.

Inspire

Imagine a future state solution for your business

Design

Discover what's possible by aligning technology investments to business goals

Empower

Empower others in your organization to see the value

Achieve

Achieve business outcomes and improved customer experiences
