Data Migration

❯ MNG will provide the tools (Rapid Start) and templates.

❯ It is the responsibility of key users to prepare all the data and populate the templates in the required format.

❯ Templates provided :

   ❯ Master Data (for Training & Production)

      - Customer
      - Vendor
      - Items

   ❯ Opening Balances (for Production only)

      - General Ledger
      - Accounts Receivable
      - Accounts Payable
      - Inventory

* Maximum 2 round of migration per template.
