

MOURI TECH®

Intelligent Automation Services for the Future-Ready Enterprise

Whether you're just starting your automation journey or scaling initiatives across the enterprise, MOURI Tech delivers the right mix of Microsoft-powered technology, governance, and innovation—ensuring faster time-to-value, sustainable ROI, and future-ready operations aligned with your business goals.

MOURI Tech empowers enterprises to drive operational excellence through end-to-end intelligent automation powered by Power Automate, AI Builder, and Azure AI. Our solutions help organizations automate repetitive tasks, enhance decision-making with AI and ML, and scale innovation securely across business functions.

Industry-Specific Use Cases with AI Agents

- **Autonomous Invoice Processing:** From extraction to posting invoices with zero human touch
- **AI-driven IT Service Desks:** Conversational agents resolving tickets, resetting passwords, provisioning access
- **Contract Review & Management:** Legal AI agents identifying risks, tracking clauses, and suggesting revisions
- **Employee Onboarding Assistants:** Coordinating across HRMS, IT, and finance systems for a seamless Day One activities

Why MOURI Tech?

- Certified Power Platform consultants with cross-industry expertise
- Deep integration with Microsoft technologies including Power Automate, AI Builder, and Azure AI
