

# Why frontline workers are essential

Your customers rely on the services they provide

Your business depends on the operational tasks they perform

Your brand and reputation is based on their success

# Accessibility to trainings, meetings, and information for all employees

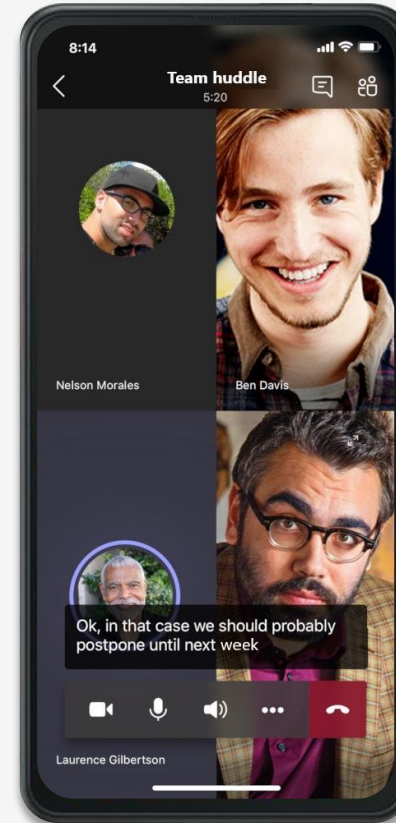

Help everyone actively participate in and understand every training session and all-hands

Empower attendees to understand the conversation with live transcription and real-time captions

Make meeting and event recordings accessible through autogenerated, searchable, and editable meeting transcripts or by uploading your own caption file

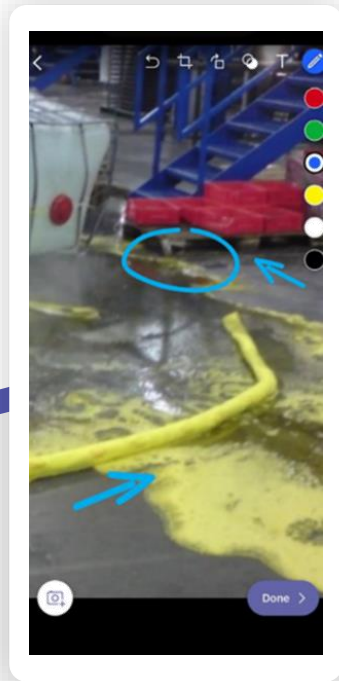

Boost reading and comprehension with Immersive Reader built directly into Teams

Engage users through multi-sensory, multilingual experiences that include reading aloud, highlighting specific lines of text, and visualizing word meanings through illustrations

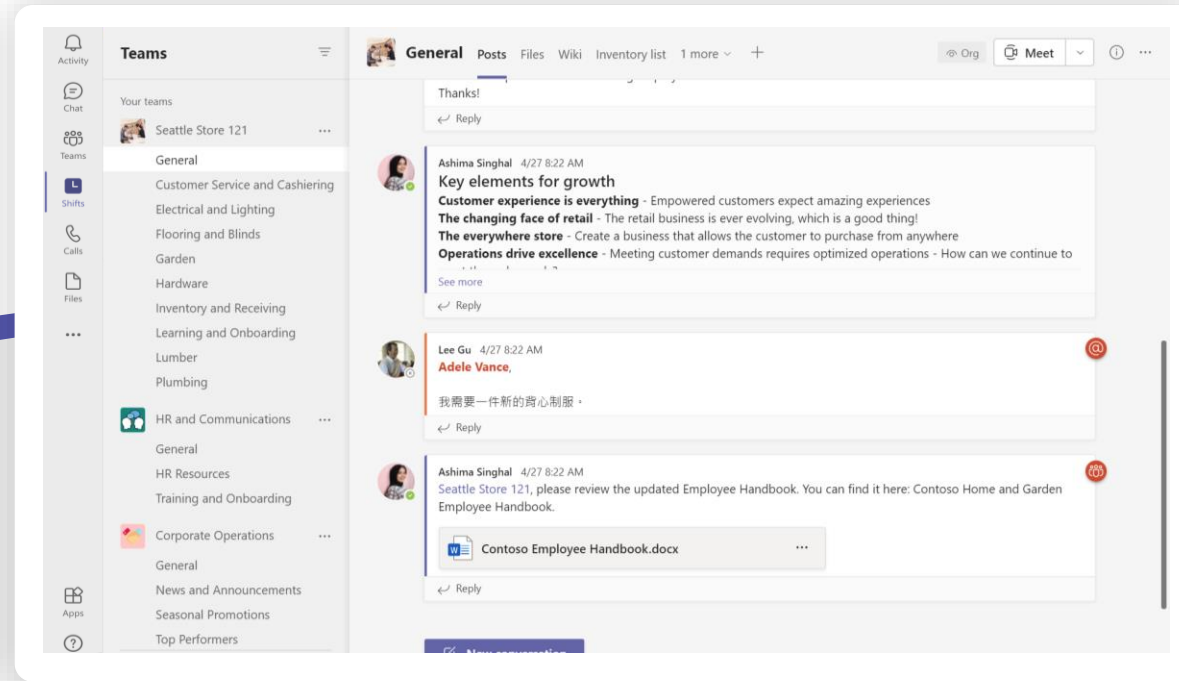

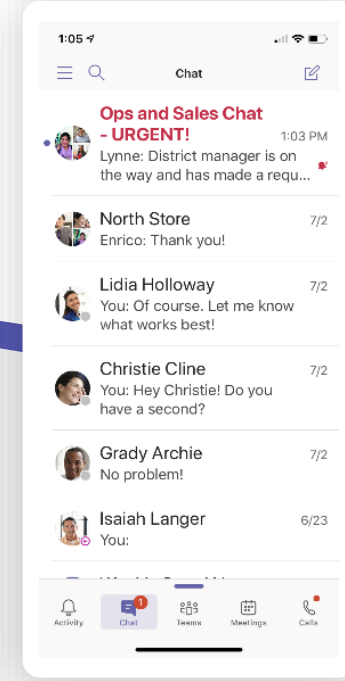

# Share rich information in chat to communicate effectively

Close the loop faster with secure Smart Camera annotation

Bridge language barriers and promote inclusivity with in-line translations

Alert your team members with priority notifications

# Empower frontline workers to own their schedules with self-service tools

**Visibility** to see their entire upcoming schedule, whether on location or at home.

**Freedom** to request time off, swap or offer shifts, and set availability

**Access** to grab open shifts, reduce scheduling issues, and fill every shift
