Cloud Migration Assessment for Azure

Service overview

What it is

A fixed-scope engagement that assesses your on-premises estate against the Microsoft Cloud Adoption Framework (CAF) and delivers a data-driven business case, target architecture and migration plan for Azure. Delivered with Azure Migrate (or Dr. Migrate) and eligible for funding under the Frontier Accelerate for Azure Partner Nominated: Core Migrate and Modernize Pre-Sales (Assessment + POV).

At a glance

- **Duration:** 2–4 weeks
- **Tooling:** Azure Migrate / Dr. Migrate
- **Delivery:** Remote / hybrid
- **Funding:** Azure Accelerate eligible

Why Netwise

TCO & ROI clarity

A defensible business case for the move to Azure.

Right-sized target

Performance-based Azure sizing, not guesswork.

De-risked roadmap

Wave plan with rollback and Go/No-Go gates.

POV proof

Pilot migration evidencing the approach (POE).

Cloud Migration Assessment for Azure

Scope of work

Kick-off & business drivers

Success criteria and scope (CAF Strategy / Plan).

Automated discovery

Inventory with Azure Migrate / Dr. Migrate.

Dependency mapping
