Report and Recommendations

Preparation

60 minutes

Delivery

60 minutes

Summary

The Report and Recommendations encompasses the results of the engagement. The goal of this session is to present findings from the engagement to the Core team and outline next steps.

Content

Deliver Impact

Customer resources

Core Team:

- Executive Sponsor
- Department Leads (stakeholders)
- Communications Lead
- Training Lead
- IT Lead
- Community Manager
- HR Lead

Partner resources

- Microsoft 365 Consultant

Objectives

The Report and Recommendations must be completed at the end of the engagement and presented to the Core Team, including the Executive Sponsors.

Preparation

Prior to delivering the Report and Recommendations, the facilitator leading the meeting will need to:

- Complete the required customer and partner participants slide.
- Engagement Results:
 - Departments enabled with Copilot for Microsoft 365 scenarios and number of enabled users. Must enable at **least three (3) departments**.
 - Summary of quick wins during the engagement.
- A screenshot of Copilot for Microsoft 365 value summary slide from the Business Case Builder output report (**Copilot for Microsoft 365 ROI analysis/business case**).
- Completed AI transformation roadmap slide:
 - Identify next set of steps to continue the adoption of Copilot for Microsoft 365, owner, completion date and any associated risks.

Deliverables

- The Report and Recommendations is completed and presented to the customer.
