BUSINESS CENTRAL & WINLIMS

LAB TESTING

WHO WE ARE?

New Technology Research has 20+ years of experience with Microsoft Dynamics Navision & Business Central.

Our WinLIMS integration provides a quick and cost-effective way to add the premier LIMS platform to sync seamlessly with your Business Central

WHAT IS IT?

Our WinLIMS integration can be fitted to any aspect of the platform. This includes integrating:

- Creating lab work orders
- Billings lab work orders
- Integrated receivables and accounting
- Integrated test jobs and components
- and much more
