

Nimble Edition Comparison

Nimble is available in 3 editions. **The vast majority of customers start on the Business Edition**, which includes all features. If the need arises due to large numbers of users or heavy feature usage requirements customers upgrade to the Team or Enterprise Edition which include more Contact record storage, data storage for email attachments, Group Message send limits, and Prospector Look Ups per month. Note that limits for Contacts are per account, and that the other variables are per user.

| Features | Business | Team | Enterprise |
|---|----------|---------|------------|
| Number of Contacts | 25 000 | 200 000 | 500 000 |
| Storage (per license) | 2 GB | 10 GB | 20 GB |
| Group messages per day (limit for every user) | 100 | 200 | 300 |
| Prospector Leads (per month) | 100 | 300 | 1 000 |
