

Power BI 2-Week Proof of Concept

A Proof of Concept (POC) engagement from Nous that will help your team create a pilot Power BI solution. In addition to creating a pilot program, Nous will also help create a long-term BI roadmap. Our BI experts will define the POC to suit the complexity of your data landscape, your organization's requirements, and your vision. The POC will demonstrate how to enable your organization to get the most value from your data, create actionable business reports, all while ensuring security and scalability.
