

The background of the entire page is a photograph of three business professionals in a meeting. Two men and one woman, all dressed in dark blue business suits, are leaning over a table. One man is writing in a spiral-bound notebook with a pen. The woman is looking at the notebook. The lighting is bright and professional.

## ***Payment Discounts for Microsoft Dynamics 365 Business Central Short Guide***

# Introduction

Our new NPS Payment Discounts functionality enables efficient use of discounts for collecting receivables within your Dynamics 365 Business Central. This functionality allows the creation of Payment Discounts based on payments made by customers ahead of schedule within defined time periods. Thereby encouraging timely collection of receivables from customers. This functionality is significant to users who strive for high efficiency in their operations and wish to reward their customers for timely payments.

Our application is focused on:

- + **Efficient receivables management** – Through Payment Discounts for payments made ahead of schedule, we encourage customers to pay faster, which directly impacts on your business.
- + **Ease of Payment Discounts usage** – Our enhancement allows for quick and easy generation of sales credit memos for Payment Discounts, simplifying daily work with credit memos
